

APPLICANT'S NARRATIVE

Application Explanation and Description of Request or Project

ROMCO Equipment Co, LLC is an authorized dealer of heavy construction equipment and provides sales, rental, parts sales, service and product support at the Property and has done so since 2017.

Equipment sold and rented by ROMCO includes articulated trucks, wheel loaders, excavators, road pavers and many other affiliated construction-related equipment types.

This includes equipment utilized in concrete work - specifically mobile volumetric cement mixing units. Under the TXDMV regulations, ROMCO must obtain a General Dealer Number in order to distribute volumetric cement mixing units, which are considered motor vehicles under TXDMV regulations. ROMCO must provide a copy of an updated Certificate of Occupancy from the City of Carrollton that reflects the addition of the Special Use Permit for Motor Vehicle Sales in order to complete the Application for the General Dealer License.

The hours of operation for ROMCO Equipment Co, LLC are:

Monday: 7:30am - 5:00pm

Tuesday: 7:30am - 5:00pm

Wednesday: 7:30am - 5:00pm

Thursday: 7:30am - 5:00pm

Friday: 7:30am - 5:00pm

Saturday: CLOSED

Sunday: CLOSED

This application and request is for "4412 Other Motor Vehicle Sales"

ROMCO anticipates having up to five units on site at any given point in time.
