

## APPLICANT'S NARRATIVE

### Project Description:

We are planning to rent my mother house out short term when she is not in town. Her house is 1,972 sqft with 3 bedrooms and 2 bathrooms. We will allow up to 6 guests per booking with quiet hours from 10pm to 7am. There will be a noise detector and service with Minut ([www.minut.com](http://www.minut.com)) which will notify both host and guest once the noise exceed the threshold to ensure the peaceful of our neighbor. Parking will be up to 4 cars in the carport in the back of the house.
