Emily,

I have no opposition to Dallas Palms expanding their footprint to the North.

As we discussed DP has a loud music problem that reaches deep into the night on occasion.

I would love to see DP install a noise barrier on the West end of their property or between buildings to prevent loud music from traveling in a westerly direction. The music problem doesn't happen every weekend but when it happens it is impossible to turn down through the police.

Thank you,

Pat Kreiner
