**CARROLLTON CITY COUNCIL
REGULAR MEETING AND WORKSESSION
NOVEMBER 18, 2025**

The City Council of the City of Carrollton, Texas convened in a Regular Meeting and Worksession on Tuesday, November 18, 2025 at 5:45 p.m. with the following members present: Mayor Steve Babick, Mayor Pro Tem Christopher Axberg, Deputy Mayor Pro Tem Daisy Palomo, Councilmembers Nancy Cline, Jason Carpenter, Andrew Palacios, Richard Fleming, and Rowena Watters. Also present were City Manager Erin Rinehart, Assistant City Manager Chrystal Davis, Assistant City Manager Shannon Hicks, City Attorney Meredith Ladd and City Secretary Chloe Sawatzky.

5:45 P.M. – COUNCIL BRIEFING ROOM

*****PRE-MEETING / EXECUTIVE SESSION *****

Mayor Babick called the meeting to order at 5:45 p.m.

1. Receive information and discuss Agenda.

Agenda items were reviewed. Staff responded to Council's questions.

Mayor Babick advised that Item 16 will be pulled from the Consent Agenda for separate consideration. Interim Parks and Recreation Director Jonathan Scheu provided a brief presentation on the Oak Creek Tennis Center Management Services item. *See Item 16 below.*

Council discussed the names of those under consideration for Items 23, 24, and 25. With a consensus on those names, he advised those items would be voted on "as amended". Mayor Babick advised that for Item 28 the Alternate, Linda Fielder, will be appointed to serve as a full member on PSB.

2. Council will convene into Executive Session pursuant to Texas Government Code:

- **Section 551.071** for private consultation with the City Attorney to seek legal advice with respect to pending and contemplated litigation and including all matters on this agenda to which the City Attorney has a duty under the Texas Rules of Discipline and Professional Conduct regarding confidential communication with the City Council.

3. Council will reconvene in Open Session to consider action, if any, on matters discussed in the Executive Session.

Executive Session was not convened.

*****WORKSESSION*****

4. Receive An Update From the Trinity River Authority.

The City contracts with the Trinity River Authority (TRA) for its wastewater treatment services at the Central Regional Wastewater System (CRWS). Matthew Jalbert, Executive Manager of the Northern Region of the Trinity River Authority, provided an update on services.

Mr. Jalbert provided data reflecting Carrollton's wastewater flows, which he said are driving capital improvements to expand the treatment facilities. He said that currently TRA has 209 miles of pipeline, 128 meter stations, and 4 lift stations in Carrollton. He provided a map reflecting planned expansions and improvements planned over the next several years.

Mr. Jalbert briefly reviewed a project underway for the reuse of biogas (methane) and described the project that will ultimately provide a revenue stream for TRA.

Projections of cost of service (debt and operations/maintenance) over the next several years was provided. Mr. Jalbert noted that PFAS (forever chemicals) testing is not yet mandated for wastewater however at some point it will be.

At 7:00 p.m. and following Item 4, the Worksession was recessed to convene the Regular Meeting.

5. Discuss Proposed Changes To Chapter 56 Cross Connection Control Program And Prevention Updates.

Jody Byerly, Public Works Director, presented this item. He explained that a cross-connection is a connection between a potable drinking water supply and a possible source of contamination or pollution. Since January 1996, the Texas Commission on Environmental Quality (TCEQ) has required municipalities to implement a program to prevent cross-connection. This is done by devices that are installed and those must be tested upon installation and annually thereafter.

Mr. Byerly advised that the City of Carrollton adopted an ordinance in 1998 to begin following TCEQ's requirements. This agenda item is to update that ordinance. Proposed changes are as follows:

- New definitions
- Changing from TNRCC (Texas Natural Resource Conservation Commission) to TCEQ
- Adding a requirement to upgrade non-compliant devices within 90 days
- Atmospheric vacuum breakers (AVB) are no longer allowed on landscape irrigation systems
- Proposed fee changes-
 - Annual registration fee for each device changing from \$35 to \$40
 - Annual backflow tester registration fee changing from \$75 to \$100
 - City test of devices changing from \$100 to \$250
 - City re-test of devices changing from \$50 to \$100
 - Annual Customer Service Inspection registration changing from \$75 to \$100

Mr. Byerly advised that Council will consider the proposed updated ordinance in December. In response to questions from Council, he advised that there are approximately 200 devices in the city. He also confirmed that the fees have not been updated since the original ordinance was adopted in 1998.

6. Discuss The January Through July 2026 City Council Meeting Dates.

City Secretary Chloe Sawatzky presented proposed Council meeting dates for January through July, 2026. After discussing with Council, the following meeting dates were set:

- January 6 and 20
- February 3 and 17
- March 3 and 24 (to accommodate ISD's Spring Break)
- April 7 and 21
- May 12 and 26 (Election Day is May 2; canvas must be conducted by the 13th)
- June 9 and 23 (possible runoff election canvas)
- July 7 and 21
- July 24 & 25 Council Strategic Retreat

7. Mayor And Council Reports And Information Sharing.

Council reviewed their recent activities and upcoming events.

Worksession and meeting adjourned at 8:46 p.m.

*****REGULAR MEETING 7:00 P.M.*****

Mayor Babick called the Regular Meeting to order at 7:08 p.m.

INVOCATION – Mayor Pro Tem Christopher Axberg

PLEDGE OF ALLEGIANCE – Councilmember Jason Carpenter

Item 16 was considered separately.

During the Worksession, Interim Parks and Recreation Director Jonathan Scheu provided background information on the Oak Creek Tennis Center. He advised that it opened in 2001 and has 12 lighted courts, a pro shop, and a clubhouse. It is currently being operated by BDM Tennis, Inc. The existing contract was reviewed.

Mr. Scheu advised that in 2022 a bond proposal to expand the tennis center was approved by the voters. The tax exempt bonds for the expansion require certain provisions that currently are not being met by BDM Tennis. As a result, a new contract is required and a Request for Proposals was issued as required for the bonds. He reviewed the process, criteria, and scoring methodology applied to three proposals received. Impact Activities scored highest overall.

Mr. Scheu reviewed the proposed contract that includes a revised financial structure and satisfies the tax exempt bond requirements. Additionally, the new contract will include the city having oversight of fees and programs; membership is not required. Fees for public usage will not change during this process. Mr. Scheu provided a list of tennis centers currently being operated by Impact Activities.

Discussion followed in regard to maintenance issues with the facility that are not being addressed by the current management company and regarding fees charged for various services.

The following motion was made:

Mayor Pro Tem Axberg moved to approve Agenda Item 16; Deputy Mayor Pro Tem Palomo seconded the motion.

Deputy Mayor Pro Tem Palomo expressed her appreciation to the speakers and to staff for their thorough due diligence in preparation for this agenda item.

Mayor Pro Tem Axberg expressed his appreciation to the speakers. He noted that during the work session it was clarified that the city has the oversight of services and fees at the tennis center.

Councilmember Cline expressed her appreciation to the speakers and to the Mayor for providing the work session information so that Council could be fully informed on this decision. She advised that with the bonds being used to expand the Oak Creek Tennis Center, the current management cannot exist as it is.

Councilmember Fleming expressed appreciation to all who participated in this meeting. He stated a lot of concerns with pricing have been raised however, the city conducted a Request for Proposal and Impact Activities won the bid. He voiced his appreciation to the speakers who organized themselves to present their points of view on this agenda item.

Councilmember Watters stated that all the input received on this item has been taken into account.

Mayor Babick advised that the process used to receive bids on the tennis center management is regulated by the state and fully transparent.

The motion was approved with a 6-1 vote. Councilmember Fleming voted in opposition.

FROM: Chloe Sawatzky, City Secretary

Consider Approval Of The December 2, 2025 Regular Meeting Minutes.

**CARROLLTON CITY COUNCIL
REGULAR MEETING AND WORKSESSION
DECEMBER 2, 2025**

The City Council of the City of Carrollton, Texas convened in a Regular Meeting and Worksession on Tuesday, December 2, 2025 at 5:45 p.m. with the following members present: Mayor Steve Babick, Mayor Pro Tem Christopher Axberg, Deputy Mayor Pro Tem Daisy Palomo, Councilmembers Nancy Cline, Jason Carpenter, Andrew Palacios, Richard Fleming, and Rowena Watters. Also present were City Manager Erin Rinehart, Assistant City Manager Chrystal Davis, Assistant City Manager Shannon Hicks, City Attorney Meredith Ladd and City Secretary Chloe Sawatzky.

5:45 P.M. – COUNCIL BRIEFING ROOM

*****PRE-MEETING / EXECUTIVE SESSION*****

Mayor Babick called the meeting to order at 5:45 p.m.

1. Receive information and discuss Agenda.

Agenda items were reviewed. Staff responded to Council's questions.

Item 5 followed item 1.

2. Council will convene into Executive Session pursuant to Texas Government Code:

- **Section 551.071** for private consultation with the City Attorney to seek legal advice with respect to pending and contemplated litigation and including all matters on this agenda to which the City Attorney has a duty under the Texas Rules of Discipline and Professional Conduct regarding confidential communication with the City Council.

3. Council will reconvene in Open Session to consider action, if any, on matters discussed in the Executive Session.

Executive Session was not convened.

*****WORKSESSION*****

4. Discuss The Utility Fund, Water And Wastewater Rates.

Item 4 was heard following Item 5.

Melissa Everett, Finance Director, presented this item. She reviewed that the Utility Fund is an Enterprise Fund, which means it is self-supporting, paid for by those who use it. She added that it is required to have a 90-day fund balance, and it also has a AAA bond rating.

Ms. Everett advised that the preliminary budget presented to Council in August included a utility rate increase of 8.1 percent. Because of the summer usage, the city actually considers rate increases in November of each year. Also, she advised that the city typically “feathers in” rate increases so that utility customers have more incremental adjustments rather than experiencing large rate increases in

any given year. Increases are typically due to rising construction costs, capital investments, anticipated rate increases from Trinity River Authority (TRA) and Dallas Water Utilities (DWU), and for future bond projects.

Ms. Everett explained that expenses in the Utility Fund cover wastewater services (TRA), water services (DWU), Public Works operations for water and wastewater systems, fleet costs, debt, and capital projects.

Current capital projects include the following:

Automatic Meter Infrastructure

ATB Funding (\$1.4M Generator Transfer Switch; \$550K Pump Station Well)

\$5M annually for water and sewer rehab

\$2M for other capital projects

CIPAC recommendations for the next bond issue

Ms. Everett stated that this year's Utility Fund is anticipated to end with 147 days in the Fund Balance. The FY26 budget absorbed all overages and includes an increase in TRA and DWU rates, capital funding and \$10 million for the FY26 bond issuance. Additionally, the FY29 and FY31 bond issuances are included as well as bond covenant requirements.

Ms. Everett advised that staff is recommending a 7.5 percent rate increase for FY26 (rather than 8.1%), a 9 percent rate increase in FY27, and for FY28, a 14 percent rate increase. The monthly increase for residential customers will range from \$1.73 to \$3.67 depending on usage, and commercial customers will see an increase of \$8.57 (for 15K gallon users.)

Item 6 followed item 5.

5. Discuss 2026 Bond Referendum.

Item 5 was heard following Item 1.

Karim Ali, Chair of the CIPAC Committee, provided Council with an overview of the 2026 Bond Election. He advised that the Committee began meeting in February 2025 to evaluate and prioritize the various proposals and he presented a summary of the proposed projects. Mr. Ali stated that the proposed projects total \$235 million, with 70 percent of that toward infrastructure projects and 30 percent toward facilities improvements. He advised these percentages are consistent with those from previous bond elections.

A list with details of each facility project that included Public Safety, Parks and Recreation, Libraries, and Municipal Court was provided. The infrastructure list was detailed as to the exact location of roadway improvements and number of miles of roadway improvements. It was noted that street replacements also include replacement of water and sewer lines. Mr. Ali also provided a list of alternatives.

Jonathan Wheat, Director of Engineering, provided details of each facility project which includes two fire stations, a fitness and training facility for police, court safety and usage upgrades, library redesign, and items included in the Parks and Recreation Master Plan (trail connections, Senior Center expansion, Elm Fork Nature Preserve building refresh, Crosby Rec Center expansion, Josey Ranch

football field turf, and the TC Rice Nature Area though it is not recommended by the CIPAC Committee.

The propositions on the election ballot will be specific to each project. Mayor Babick stated that plans are to call the election at the February 3rd Council meeting.

Item 4 followed.

6. Mayor And Council Reports And Information Sharing.

Item 6 was heard following Item 4.

Council reviewed their recent activities and upcoming events.

City Secretary Chloe Sawatzky confirmed with Council that the December 16th Council meeting would be cancelled. The next meeting will be on January 6, 2026.

Worksession concluded at 6:51 p.m.

*****REGULAR MEETING 7:00 P.M.*****

Mayor Babick called the Regular meeting to order at 7:00 p.m.

INVOCATION – Councilmember Rowena Watters

PLEDGE OF ALLEGIANCE – Councilmember Richard Fleming

PUBLIC HEARING

24. Hold A Public Hearing And Consider A Resolution To Adopt The Program Year 2024 Consolidated Annual Performance And Evaluation Report On The Use Of Community Development Block Grant Funds.

Environmental Services Director Cory Heiple advised that this report is to review how the Community Development Block Grant Funds were spent for 2024. He noted that the Neighborhood Advisory Committee reviewed the report and approved it on November 13, 2025.

Mr. Heiple stated that HUD granted \$711,716 to the City of Carrollton. That amount as well as unspent funds from previous years were used according to the 5-year Consolidated Plan. He reviewed the following:

Parks Improvements	\$643,126
Street Reconstruction Projects	\$285,857
Public Services (Metrocrest Services Homeless Response Program)	\$104,377
Enhanced Code Enforcement	\$ 75,593
Housing Rehabilitation Projects (8)	\$ 75,905
Carrollton Black Cemetery Phase I	\$ 32,210
Administration	\$ 72,535

Mr. Heiple advised the total that was spent, including previous years' unspent funds, total \$1,289,603.

Councilmember Fleming inquired if there is a CDBG policy and how the allocations are determined. Mr. Heiple responded yes that it is the 5-year Consolidated Plan and includes projects allowed by HUD. He stated that projects are submitted by the city departments for possible inclusion in the Plan.

Mayor Babick opened and closed the public hearing with no one wishing to speak.

Deputy Mayor Pro Tem Palomo moved to approve Item 24; second by Mayor Pro Tem Axberg. The motion was approved with a unanimous 7-0 vote.

25. Hold A Public Hearing To Consider An Ordinance Amending The Zoning To Amend SUP-413 To Allow Modified Conceptual Plans On An Approximately 5.426-Acre Tract Zoned PD-189 For The (O-4) Office District And Located At 1401 East Trinity Mills Road; Amending The Official Zoning Map Accordingly. Case No. PLSUP 2025-171 Trinity Mills OR Expansion.

Loren Shapiro, Planning Manager, presented this item. He advised this is a request to add square footage to the west side of the Legion Hospital. He advised that in 2022 a 6,000 square feet expansion was approved, however, it was not done. This request is for additional square footage (in addition to the previous 6,000 square feet approved). This expansion will be a single-story. Conceptual elevations were provided. Staff is recommending approval.

Mayor Babick asked if the applicant is present and would like to speak. Logan Lindsley, Civil Engineer with Kimley-Horn restated that this request adds to the previously approved 6,000 square feet expansion with an additional 1,500 square feet. He also stated that on the north side of the building there will be an additional six parking spaces added. The applicant explained that the expansion is requested due to all four hospital locations in the area being consolidated to the Carrollton facility.

Mayor Babick opened the public hearing.

Steven Donnelly, Vice-President of Real Estate for Legion Hospitals, further explained the consolidation. He added that Legion Hospitals are now partnering with HSS (Hospitals for Special Surgery) to become a state-of-the-art orthopedic hospital.

There being no other speakers, Mayor Babick closed the public hearing.

Councilmember Cline moved to approve Item 25; second by Councilmember Palacios. The motion was approved with a unanimous 7-0 vote.

26. Hold A Public Hearing To Consider An Ordinance Amending The Zoning To Establish A Special Use Permit To Allow An “Amusement Arcade (Excluding Adult Arcade)” Located At 4070 SH 121, Suite 312, And Zoned (PD 197) Planned Development For The (LR-2) Local Retail District; Amending The Official Zoning Map Accordingly. Case No. PLSUP 2025-157 Claw Arcade.

Loren Shapiro, Planning Manager, advised this is a request for a new special use permit for a suite that will contain 50 games (claw machines). The hours of operation are Monday – Friday, 11 a.m. to 9 p.m., Saturday, 11 a.m. to 11 p.m., and Sunday, 12 p.m. to 9 p.m. Mr. Shapiro stated that staff is recommending approval with stipulations.

The applicant was present for questions.

Mayor Babick opened and closed the public hearing with no one wishing to speak.

Councilmember Watters moved to approve Item 26; second by Councilmember Cline. The motion was approved with a unanimous 7-0 vote.

27. Hold A Public Hearing To Consider An Ordinance Amending The Zoning On An Approximately 14.32 Acre Tract Zoned PD-148 For The (HC) Heavy Commercial District And Generally Located On The Southeast Corner Of East Hebron Parkway And Marsh Lane To Repeal and Replace Ordinance No. 3911, Reestablishing Planned Development 148; To Change The Base Zoning On A Portion Of Said Tract From (HC) Heavy Commercial District To (MF-18) Multifamily Residential District, To Add Development Standards, And To Add Conceptual Plans; Amending The Official Zoning Map Accordingly. Case No. PLZ 2025-133 IBP 9.

Loren Shapiro, Planning Manager, presented this item. He advised this is a request to amend Planned Development 148. He described the location which is on a 14.32 acre corner at the intersection of Hebron Parkway and Marsh Lane. Mr. Shapiro advised the planned development site is currently zoned Heavy Commercial and vacant. He provided a diagram of the various tracts on this site and stated that this request is to rezone tracts 1 and 2 from heavy commercial to multi-family. A conceptual

site plan was reviewed that includes two buildings with 406 multi-family units, including 10 townhome units on the south side. Retail is included facing Hebron Parkway. Conceptual building elevations were provided. Mr. Shapiro added that a traffic impact analysis was provided and reviewed by staff.

Tom Hammons, Transportation Manager for the City of Carrollton, was available for questions. He described the existing traffic conditions on Hebron as busy and stated that the multi-family will add additional traffic though not as much as if the site was developed commercially. He added that northbound Marsh in this area is similar to other areas in the city. Mr. Hammons explained the “level of service” as indicated in the traffic study and how it applies to the morning and afternoon traffic at this intersection. Mr. Hammons responded to questions from Council regarding traffic conditions in the area. He described the existing turn lanes and traffic patterns. It was stated that there are five churches in the area, however the traffic was not studied on a Sunday. It was stated that one of the churches provides off duty police on Sundays to direct traffic leaving that church.

Mayor Babick asked what roadway improvements might be required in the future. Mr. Hammons advised that right-of-way exists to expand Hebron to six lanes and also indicated that the turn lanes could be lengthened to allow for additional stacking on Marsh. He stated that the right turns only on Marsh are safer than allowing left turns.

Mr. Shapiro was asked about the density being requested for the development and how it compares to other similar properties in the city. He reviewed several other multi-family projects with parking garages and retail elements, and the locations.

Applicant Lucy Burns with Billingsley Corporation provided an overview of this development. She reviewed a map reflecting egress from the site onto the surrounding roadways, Marsh, Hebron, and International Parkway. She advised International Parkway would be the quickest way to access the George Bush Tollway. She noted that International has the least amount of traffic of the three roadways. Additionally, she advised that one of the multi-family buildings has 194 units with a parking garage on the south side and there is ingress and egress on International. A conceptual landscape plan was provided that included a water feature. Ms. Burns advised that the planned retail on the site is walkable from the multi-family buildings and will have restaurants facing the water feature. A depiction of the townhomes which will face Marsh was provided.

In response to Council’s concerns regarding traffic in the area, Ms. Burns stated that copies of the traffic study are available for Council. She advised that the traffic engineer who conducted the traffic study was present. Mayor Babick invited him to speak. Scott Israel with Traffic Impact Group advised that he prepared the study and provided a handout summarizing his findings. He reviewed the traffic counts on the roadways as well as the capacity and crash rate of the intersections. He stated that Marsh has the capacity for additional vehicles with no significant impact. He advised that the multi-family generates less traffic than commercial.

Mayor Babick opened the public hearing.

There being no other speakers, Mayor Babick closed the public hearing.

Applicant Henry Billingsley provided photos of a building “wrapped” as townhouses located at a different development. He stated that the proposed multi-family buildings will be wrapped. He addressed the traffic concerns, saying that the entrances and exits from the development are right turns in and right turns out, except on International Parkway where there are right and left turns. He added that on Hebron the right turn in/out is for the planned retail. Mr. Billingsley stated that this will be a development that will add quality to the area.

Mayor Babick stated this is a land use discussion. Discussion followed regarding the current zoning (heavy commercial) and the MF18 designation being the maximum density allowed, however Mr. Shapiro stated that planned developments specifically allow greater density with Council approval. He responded to earlier comments from the public regarding new legislation (Senate Bill 840) that enacted limitations on certain types of development but it only applies to cities with a population greater than 150,000, so it does not apply to Carrollton.

Questions from Council were raised regarding parking and clarification of some green space area on the concept plan. Additionally, Mayor Babick asked Police Chief Arredondo about the potential of crime in multi-family developments. Chief Arredondo responded that it takes approximately ten years for multi-family to impact crime. That being due to changes in ownership and lack of proper upkeep.

During further discussion regarding the potential for increased traffic issues in the area, Mr. Billingsley stated that he would donate the land necessary to extend the right-hand turn lane from Marsh onto Hebron.

Other questions raised by Council included the possibility of water pressure issues with high density. Director of Engineering Jonathan Wheat stated that the city research indicates that there is no problem with water pressure however it was studied on the basis of heavy commercial development and not multi-family in this area.

Councilmember Fleming reviewed that previous Councils have voiced that multi-family zoning should only be at or near the Transit Oriented Development (TOD) areas, and the location in question is not near a TOD area. Due to that, Councilmember Fleming indicated he would vote against the item.

Councilmember Carpenter stated that he likes the development but believes the density to be too high. Based on the density, he advised he would vote against the development, however, would make a motion to approve.

Councilmember Carpenter moved to approve Item 27 as stipulated to extend the right hand Marsh turn lane. Mayor Pro Tem Axberg seconded the motion.

Mayor Pro Tem Axberg stated that while he is not completely in favor of the proposed density, he also does not believe that heavy commercial zoning should apply to this area due to the nearby residential. He expressed his appreciation to all who voiced their concerns during the public hearing.

The item was approved with a vote of 5-2. Councilmembers Fleming and Carpenter voted in opposition.

28. Hold A Public Hearing To Consider An Ordinance Of The City Of Carrollton, Texas Amending Ordinance Number 1470, Otherwise Known As The Comprehensive Zoning Ordinance, By Amending Article V. Use Of Land And Structures, Section C. Use Matrix, By Modifying The Zoning Districts Short-Term Rental And Bed And Breakfast Uses May Operate By Right Or By Special Use Permit (SUP) And Repealing Section D. Interim Prohibition On Short-Term Rental And Bed And Breakfast Uses; Repeal And Reserve Article XXI. Special Use Permits, Section D. Special Conditions, 2. Subsection f. Hotel and Transient Lodging; And Amending Article XXXIV. Definitions, Section B. Terms And Definitions Relative To Short-Term Rentals And Bed And Breakfasts. Case No. PLZT 2025-170 CZO Text Amendments - STR and B&B Zoning Amendments.

Loren Shapiro, Planning Manager, advised it is a cleanup zoning ordinance pertaining to the previously approved Items 19 and 20 relating to Temporary Short-Term Rentals and Bed and Breakfasts. He reviewed the following background on this item:

- Before 2022- No restrictions on short-term rentals (STR), but bed and breakfasts (B&B) required a Special Use Permit (SUP).
- December 6, 2022- The City Council adopted initial regulations in response to the growth of short-term rentals.
- February 7, 2023 The City Council amended the zoning ordinance to require an SUP for all short-term rentals.

- May 6, 2025- The City Council adopted a one-year interim prohibition on short-term rentals to allow time for data collection and analysis, driven by public concerns over numerous nuisances including noise, trash, disorderly conduct, and parking.

Mr. Shapiro reviewed the current regulations (prior to the Interim Prohibition) regarding STRs and B&Bs:

- STRs allowed with a SUP in the single-family detached, single-family attached, duplex, retail office zoning districts and in the urban fringe – Downtown TC District.
- STRs were allowed by right in the Historic Square and Urban General – Downtown. TC District.
- B&Bs were allowed with an SUP in the single-family detached, single-family attached, Duplex zoning districts.
- Defined STRs and B&Bs.

Mr. Shapiro reviewed the Council Work Sessions held in July, September, and October, 2025. He advised that information was provided to Council regarding child safety zones, current restrictions, zoning restrictions, density/caps, use- commercial/residential, notifications, trafficking prevention, and the approval process. On October 28, 2025 Council provided directions to staff on how to proceed.

Mr. Shapiro reviewed the Comprehensive Zoning Ordinance recommendations that were approved by the Planning and Zoning Commission. Those recommendations include the following:

1. Remove the interim prohibition section from Article V. Use of Land and Structures
2. Adopt a Prospective Ban on STRs and B&Bs
 - New STRs and B&Bs are prohibited.
 - Existing licensed, legal non-conforming STRs and B&Bs operating and in conformance with city codes may continue.
3. Amend Article XXI. Special Use Permits removing the section regulating SUPs for STRs and B&Bs.
4. Amend Article XXXIV. Definitions modifying terms and definitions.

Mayor Babick confirmed that existing STRs and B&Bs are grandfathered if operating legally, and that new ones are prohibited.

Mayor Babick opened and closed the public hearing with no one wishing to speak.

Deputy Mayor Pro Tem Palomo moved to approve Item 28; Mayor Pro Tem Axberg seconded the motion.

Mayor Pro Tem Axberg expressed appreciation to the Council and staff for their work on this issue.

The motion was approved with a vote of 7-0.

PUBLIC FORUM

29. Public Forum is the opportunity for citizens/visitors to speak on items not listed on the posted meeting agenda. Citizens/visitors wishing to address the Council regarding items

on the posted meeting agenda will have the opportunity to speak during the Citizen Comment.

Citizens/visitors should complete an appearance card located on the table at the entrance to the City Council Chambers. Speakers must address their comments to the presiding officer rather than to individual Council members or staff; Stand at the podium, speak clearly into the microphone and state your name and city of residence prior to beginning your remarks; Speakers will be allowed up to 3 minutes for testimony; Speakers making loud, abusive, personal, defamatory, impertinent, profane, threatening, or impertinent remarks may be removed from the room; Unauthorized remarks from the audience, stamping of feet, whistles, yells, booing, and similar demonstrations will not be permitted; No placards, banners, or signs will be permitted in the Chambers or in any other room in which the Council is meeting. Any person who does not comply with these provisions is subject to removal or forfeiting their right to attend a future meeting. In accordance with the Texas Open Meetings Act, the City Council is restricted from discussing or taking action on items not listed on the agenda. Action can only be taken at a future meeting.

Mayor Babick opened the public forum. There being no speakers, he closed the public forum.

Agenda Number: *10.

CC MEETING: January 6, 2026

DATE: December 17, 2025

TO: Erin Rinehart, City Manager

FROM: Diana Vaughn, Chief Financial Officer

Chrystal Davis, Assistant City Manager

Consider Authorizing the City Manager To Enter Into An Agreement With Hilltop Securities Asset Management LLC Pursuant to RFP 26-002 For Arbitrage Rebate Compliance Services In An Amount Not To Exceed \$32,000.00 Annually, For A Five-Year Total Contract Not To Exceed \$160,000.00.

BACKGROUND:

Arbitrage refers to the difference between the investment earnings on tax-exempt bond proceeds and the interest paid on those bonds. When investment earnings exceed the bond yield, the excess may be subject to federal rebate requirements under IRS regulations. These rules are complex and vary depending on the specifics of the bond issue. Noncompliance can jeopardize the tax-exempt status of the bonds. The agreement with Hilltop Securities Asset Management LLC will provide the City with experienced, professional arbitrage rebate services to ensure compliance.

On October 13, 2025, the City issued a request for proposal for these services. Notifications were posted online, previous and interested vendors were contacted, and advertisements placed in the Dallas Morning News. Submissions were due on November 13, 2025. Two (2) vendors submitted qualification packets.

The Finance Department reviewed and evaluated the submissions, ultimately selecting Hilltop Securities Asset Management LLC based on criteria related to qualifications, expertise, project approach, references, fees, and prior successful service for the City of Carrollton.

FINANCIAL IMPLICATIONS:

The fee for arbitrage compliance services will be \$1,400 per debt obligation, assessed during the annual calculation period, with an additional fee of \$3,000 for IRS refund requests when necessary.

The number of debt obligations will vary over the term of the contract as new debt issuances occur.

IMPACT ON COMMUNITY SUSTAINABILITY:

This project supports and aligns with the City Council's goals and objectives to build and maintain a consistently thriving and diverse financial base while being outstanding stewards of City resources.

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends that City Council authorize the City Manager to enter into an agreement with Hilltop Securities Asset Management LLC pursuant to RFP 26-006 for arbitrage rebate compliance services in an amount not to exceed \$32,000.00 annually, for a five-year total contract not to exceed \$160,000.00.

Consider **Authorizing the City Manager To Enter Into An Agreement With Total Safety U.S. Inc. For The Purchase Of Fire Fighter Protective Clothing In An Amount Not To Exceed \$250,000.00.**

BACKGROUND:

This agenda item is for the purchase of protective clothing worn by firefighters during normal duty, training, and emergency operations. Due to the anticipated replacement of damaged, outdated, and end-of-life protective clothing, the City will surpass the \$100,000.00 purchasing threshold for fire protective clothing during Fiscal Year 2026. City staff is seeking Council approval to purchase protective clothing, uniforms, tools, and equipment in an amount not to exceed \$250,000.00 during Fiscal Year 2026.

The protective clothing will be purchased through our interlocal agreement with Buy-Board. Texas law authorizes this process so that the City can save the time of developing specifications and avoid the duplication of the competitive bidding process. Buy-Board meets all state of Texas bidding requirements.

FINANCIAL IMPLICATIONS:

The protective clothing will be purchased with budgeted funds from the Fire Department's Fiscal Year 2026 budget

IMPACT ON COMMUNITY SUSTAINABILITY:

The protective clothing is used during the course of responding to and mitigating both non-emergency and emergency incidents. The protective clothing is designed to protect firefighters from thermal and environmental insults during emergency operations including structure fires, vehicle collisions, rescue

operations, and any other hazardous situation in which personal protection is required.

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends authorizing the City Manager to enter into an agreement with Total Safety U.S. Inc. to purchase protective clothing in an amount not to exceed \$250,000.00. This purchase will be through an Interlocal Agreement with Buy-Board.

Consider Authorizing The City Manager To Enter Into An Agreement With Rebel Strike Pursuant To BID #26-008 To Purchase A Brush Truck - Type 6 Wildland Apparatus For A One-Time Amount Not To Exceed \$347,800.00.

BACKGROUND:

This award is for the purchase of a brush truck wildland apparatus to be utilized by the Fire Department in serving the City of Carrollton. The apparatus can handle off-road or inclement weather situations and ensure that any location can be accessed by fire crews to mitigate emergencies. This is a fleet replacement for an end-of-life apparatus.

On November 3, 2025, the City issued BID #26-008 for Brush Truck - Type 6 Wildland Apparatus. Bid notifications were posted online, previous and interested vendors were contacted, as well as advertisements placed in the Dallas Morning News. Six (6) vendors submitted responses.

The Fire Department evaluated the submissions based on the lowest responsive and responsible criteria of price and other factors. Rebel Strike, while not the lowest price, was selected based on the overall best value relative to that criterion including meeting all required specifications, using high quality components, and having already built the product so it will arrive in Carrollton within a few months.

FINANCIAL IMPLICATIONS:

The brush truck on BID #26-008 will be purchased from budgeted funds for the cost center and amount as listed below.

<u>COST CENTER</u>	<u>LINE ITEM</u>	<u>BUDGET AMOUNT</u>
576190	68500	\$342,800.00
576190 Contingency	68500	<u>\$5,000.00</u>
		<u>\$347,800.00</u>

IMPACT ON COMMUNITY SUSTAINABILITY:

This project supports and aligns with the City Council's goals and objectives to ensure our employees have appropriate resources and exemplify the Vision.

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommend City Council authorize the City Manager to enter into an agreement with Rebel Strike pursuant to BID #26-008 to purchase a Brush Truck - Type 6 Wildland Apparatus for a one-time amount not to exceed \$347,800.00.

Consider Authorizing The City Manager To Execute Change Order No. 3 With Camino Construction, LP For Additional Work As Part Of Country Villas Street Reconstruction Project, In An Amount Not To Exceed \$257,045.00, Increasing The Total Project Contract To An Amount Not To Exceed \$8,047,045.00.

BACKGROUND:

The City Council awarded a contract on September 10, 2024, to Camino Construction, LP in the amount of \$7,790,000.00 (\$7,556,540.00 construction and \$233,460.00 contingency). The original contract provided for the reconstruction of approximately 16,600 LF of neighborhood streets, 2,500 LF of sidewalks, 7,010 LF of sanitary sewer mains, and 8,050 LF of water mains.

During construction, Staff determined additional utility and paving work is required to complete the project. Change Orders No. 1 and 2 totaled \$143,785.00 and consisted of additional sanitary sewer work.

While attempting to tie into the water main in Keller Springs, it was discovered that the existing 40-year-old line under Keller Springs was deteriorated and needed replacement. This change order covers the replacement of approximately 700 lf of the existing water line under Keller Springs and the subsequent pavement.

This change order (Change Order No. 3) in the amount of \$346,720.00 (\$89,675.00 remaining contingency and \$257,045.00 additional funding) will cover the following items:

- Additional water line replacement in Keller Springs Road.
- Additional concrete panel replacements for Keller Springs Road.
- Replace existing curbs along Keller Springs Road.

- Construct new sidewalk along Keller Springs Road.

As a result of the additional work, the duration of construction will extend 90 calendar days, bringing the total construction period to 530 calendar days.

FINANCIAL IMPLICATIONS:

Camino Construction, LP submitted a proposal to the City of Carrollton to cover the above-mentioned work of Change Order No. 3 in an amount not to exceed \$346,720.00. Approval of Change Order No. 3 will utilize the remaining contingency of \$89,675.00, resulting in an additional funding requirement of \$257,045.00. Funding is available in Account Unit 854460 (Streets Consolidated).

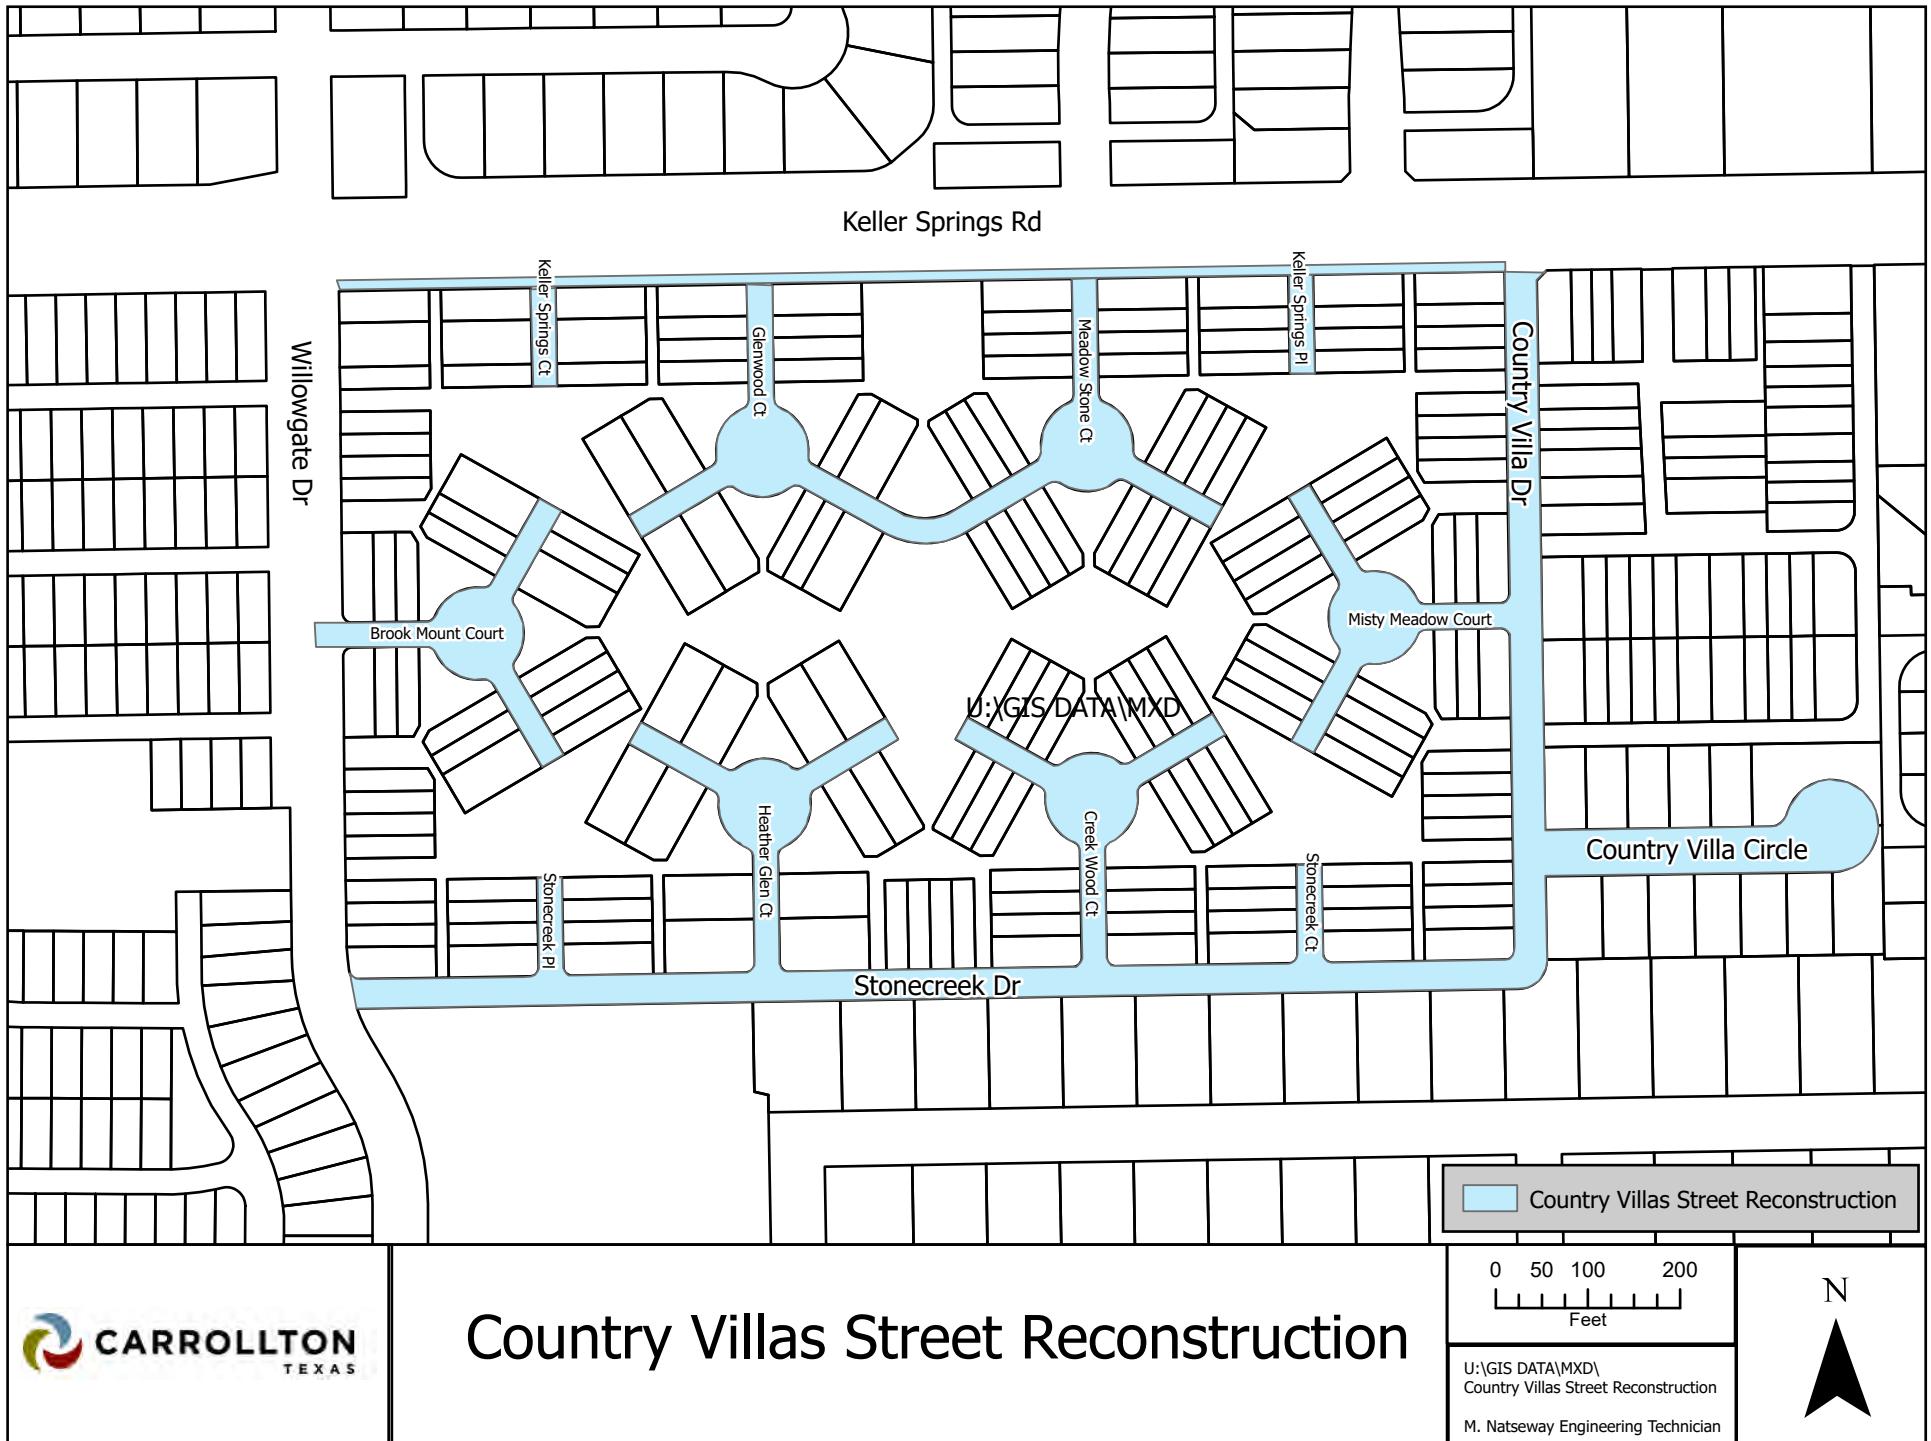

IMPACT ON COMMUNITY SUSTAINABILITY:

This project will support the City Council's strategic objectives and vision of building a community that families and businesses want to call home by:

- Preserving neighborhood appearance and encouraging upkeep by replacing deteriorated curbs and panels that currently detract from the streetscape. (Hospitality)
- Reducing reactive maintenance by addressing substandard assets now and extending pavement life. (Optimize)
- Minimizing disruption to residents and businesses by consolidating needed work into the active project rather than separate future projects. (Economical)
- Reinforcing the long-term function of Keller Springs Road as an adjoining corridor to the Country Villas project area through targeted reinvestment. (Revitalized)

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends authorizing the City Manager to execute Change Order No. 3 with Camino Construction, LP for the Country Villas Street Reconstruction Project to in the amount not to exceed \$257,045.00, increasing the total project contract to an amount not to exceed \$8,047,045.00.

Consider Authorizing The City Manager To Enter Into An Agreement With Beacon Emergency Services Team, P.A. d/b/a BEST EMS For Medical Director Services And An Agreement For EMS Continuing Education Curriculum And Training In An Amount To Not Exceed \$115,000.

BACKGROUND:

The Fire Department is required to maintain medical oversight and provide continuing education and training to emergency medical services personnel in accordance with state law and best practices. BEST EMS currently provides specialized medical oversight and education services to public safety agencies and employs physicians experienced in emergency medical services administration.

The proposed Medical Director Agreement provides for a licensed physician to serve as the Fire Department's Medical Director, responsible for medical oversight, protocol development, quality improvement review, education participation, and regulatory compliance.

The proposed EMS Continuing Education and Training MOU provides for the delivery of structured EMS continuing education hours, instructional services, curriculum, recordkeeping, and training equipment to support Fire Department personnel certifications and readiness.

FINANCIAL IMPLICATIONS:

Funding for both agreements will come from the Fire Department's Fiscal Year 2026 budget.

IMPACT ON COMMUNITY SUSTAINABILITY:

This funding supports a prepared and proficient EMS workforce capable of meeting the evolving emergency medical needs of the City of Carrollton's residents and visitors.

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends authorizing the City Manager to execute the Medical Director Agreement and the training MOU with Beacon Emergency Services Team, P.A. d/b/a BEST EMS in an amount not to exceed \$115,000.00.

Consider An Ordinance Of The City Of Carrollton, Texas, Amending Article VII, Chapter 72 Of The Carrollton City Code By Adding Section 72.13 Creating Specific Parking Prohibitions Consistent With The Texas Transportation Code And Amending Article VII, Chapter 70 Of The Carrollton City Code By Adding Section 70.55 Authorizing Public Safety Officers, In Addition To Sworn Peace Officers, To Enforce And Issue Notices For Parking Violations Set Forth In Chapter 72; And Establishing A Penalty Of Up To \$500.

BACKGROUND:

The City of Carrollton frequently receives complaints related to parking violations, including vehicles parked in fire lanes, blocking driveways, or violating posted time and zone restrictions. While these violations negatively impact neighborhood quality of life, business access, and public safety, they are generally considered a lower priority than in-progress calls for service, traffic collisions, and other emergent incidents handled by sworn police officers. As a result, parking-related complaints are not always addressed as quickly or consistently as residents and businesses would prefer.

Carrollton's Public Safety Officers (PSOs) are already utilized to support the Police Department by handling non-emergency functions and lower-risk tasks that do not require a sworn police officer, but are not authorized to conduct enforcement of state traffic or parking statutes. Authorizing PSOs to issue citations for violations of municipal parking and related ordinances will allow the City to more effectively address these recurring concerns. This approach keeps enforcement within the scope of local code, maintains a clear distinction between PSO responsibilities and sworn officer authority, and provides an additional resource for timely response to quality-of-life issues.

By enabling PSOs to enforce municipal parking ordinances, sworn officers can remain focused on higher-priority calls and proactive crime reduction efforts, while PSOs provide more consistent,

visible, and timely enforcement of parking rules. This change is intended to improve responsiveness to community complaints, enhance safety and accessibility in neighborhoods and commercial areas, and better align City resources with the volume and nature of parking-related concerns.

FINANCIAL IMPLICATIONS:

The financial impact of this agenda item is undeterminable, but will increase the existing revenue from parking notices, and will be directly correlated with the number of additional new notices issued annually by the Public Safety Officers. The additional revenues cannot be projected at this time.

IMPACT ON COMMUNITY SUSTAINABILITY:

The proposed amendment will support the City Council's strategic objectives and vision of building a community that families and businesses want to call home by:

- Improving the timely resolution of recurring parking complaints that affect residents and businesses.
- Promoting consistent enforcement of local ordinances to support orderly use of streets and shared spaces.
- Allowing sworn officers to remain focused on higher-priority calls, enhancing overall public safety response.

Strengthening community confidence that concerns about parking and access are heard and addressed

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends adopting an ordinance amending the Carrollton City Code to authorize Public Safety Officers to issue citations for municipal parking and related ordinance violations

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF CARROLLTON, TEXAS, AMENDING CHAPTER 72, SUBCHAPTER I OF THE CARROLLTON CITY CODE BY ADDING SECTION 72.13 CREATING SPECIFIC PARKING PROHIBITIONS CONSISTENT WITH THE TEXAS TRANSPORTATION CODE AND AMENDING CHAPTER 70, SUBCHAPTER IV OF THE CARROLLTON CITY CODE BY ADDING SECTION 70.55 AUTHORIZING PUBLIC SAFETY OFFICERS, IN ADDITION TO SWORN PEACE OFFICERS, TO ENFORCE AND ISSUE NOTICES FOR PARKING VIOLATIONS SET FORTH IN CHAPTER 72; PROVIDING FOR SEVERABILITY, SAVINGS, PENALTY, AND REPEALER CLAUSES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Carrollton, Texas (“City”) is a Home Rule municipality possessing the full power of local self-government pursuant to Article 11, Section 5 of the Texas Constitution, Section 51.072 of the Texas Local Government Code and its Home Rule Charter; and

WHEREAS, the City Council of the City of Carrollton (“City Council”), Texas finds it necessary to promote public safety and ensure compliance with parking regulations established under Chapter 72 and other provisions of the Carrollton Code of Ordinances; and

WHEREAS, currently only sworn peace officers enforce parking regulations and issue citations for parking violations under Chapter 72 of the Carrollton Code of Ordinances; and

WHEREAS, police volunteers are authorized under the Texas Transportation Code to issue citations for violations of handicap parking restrictions; and

WHEREAS, authorizing Public Safety Officers to enforce parking regulations as assigned by the Chief of Police and issue notices for parking violations under Chapter 72 of the Code of Ordinances would provide a better use of resources and better protect the public's health, safety, and welfare; and

WHEREAS, the City Council finds that it is in the best interest of the residents of the City of Carrollton to adopt codified parking restrictions consistent with the Texas Transportation Code and to authorize Public Safety Officers as assigned by the Chief of Police in addition to sworn peace officers, to enforce such restrictions;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CARROLLTON, TEXAS, THAT:

SECTION 1.

All the above premises are found to be true and correct legislative and factual findings of the City Council, and they are hereby approved and incorporated into the body of this Ordinance as if copied in their entirety.

SECTION 2.

The Code of Ordinances, City of Carrollton, Texas is hereby revised by amending Chapter 72, Subchapter I, "Parking Generally" by adding Section 72.13 to read as follows:

"72.13 Prohibited in Specified Places

It shall be unlawful for any person to stop, stand, or park a vehicle except when necessary to avoid conflict with other traffic or in compliance with law or directions of a police officer or traffic-control devices in any of the following places:

- (A) On a sidewalk;
- (B) Within an intersection
- (C) Within twenty (20) feet of a crosswalk at an intersection;

- (E) Within fifteen (15) feet of a fire hydrant; or
- (F) Where signs are erected or curbs are painted indicating that such is not allowed."

SECTION 3.

The Code of Ordinances, City of Carrollton, Texas is hereby revised by amending Chapter 70, Subchapter IV, "Administration and Enforcement" by adding Section 70.55 to read as follows:

"70.55 Authority to Enforce Parking Violations.

- (A) Public Safety Officers employed by the City of Carrollton are hereby authorized to enforce all parking regulations as assigned by the Chief of Police and to issue notices for parking violations under Chapter 72.
- (B) Public Safety Officers may issue notices for violations of Chapter 72 in the same manner as sworn peace officers of the Carrollton Police Department.
- (C) Citations issued by Public Safety Officers shall have the same force and effect as those issued by peace officers, and violators shall be subject to penalties prescribed by this Ordinance."

SECTION 4.

Any person, firm, or corporation violating a provision of this Ordinance, upon conviction, is guilty of an offense punishable as provided in Section 10.99 of the Carrollton City Code, unless otherwise limited by state law.

SECTION 5.

This Ordinance shall be cumulative of all provisions of ordinances and of the Code of Ordinances of the City of Carrollton, Texas, except where the provisions of this Ordinance are in

direct conflict with provisions of such ordinances and such codes, in which event the conflicting provisions of such ordinances and such codes are hereby repealed.

SECTION 6.

The provisions of this Ordinance are severable in accordance with Section 10.07 of the Carrollton City Code.

SECTION 7.

All other provisions of the Carrollton Code of Ordinances not expressly amended as stated herein shall remain in full force and effect.

SECTION 8.

This Ordinance shall become effective from and after its passage and publication.

Consider A Resolution Nominating A Candidate To Fill A Vacancy On The Denton Central Appraisal District For The Board Of Directors.

BACKGROUND:

Mr. Rob Altman was an appointed member of the Denton Central Appraisal District Board of Directors, Place 5, with a term ending December 31, 2027, and has notified the Denton Central Appraisal District of his resignation. Pursuant to Section 6.0301(f) of the Texas Property Tax Code, a vacancy occurring in an appointive position on the Denton Central Appraisal District Board of Directors may be filled through a nomination process by eligible taxing units.

Section 6.0301(f) provides, “if a vacancy occurs in an appointive position on the board of directors, each taxing unit that is entitled to vote under Section 6.03 may nominate by resolution adopted by its governing body a candidate to fill the vacancy. The taxing unit shall submit the name of its nominee to the chief appraiser within 45 days after notification from the board of directors of the existence of the vacancy, and the chief appraiser shall prepare and deliver to the board of directors within the next five days a list of the nominees. The board of directors shall appoint by majority vote of its members one of the nominees to fill the vacancy.”

Nominations must be submitted by written resolution before January 29, 2026. The nominee selected to fill the vacancy will serve the remainder of the term through December 31, 2027. Once nominations are received, the Denton Central Appraisal District Board of Directors will select the replacement from the nominees.

IMPACT ON COMMUNITY SUSTAINABILITY:

By nominating a candidate to fill the vacancy on the Denton Central Appraisal District Board of

Directors, the City ensures continued representation of Carrollton residents and businesses and supports the appropriate growth of the City's tax base.

STAFF RECOMMENDATION/ACTION DESIRED:

To pass a resolution nominating a candidate to fill the vacancy on the Denton Central Appraisal District Board of Directors.

Consider A Resolution Authorizing The City Manager To Negotiate And Execute Contract Amendment No. 1 With Dallas, Garland & Northeastern Railroad, Inc. (DGNO) For The Review Of The Railroad Sidewalk Construction Plans Associated With The Country Club Drive Improvement Project, In An Amount Not To Exceed \$20,636.00 For A Total Contract Amount Of \$46,640.

BACKGROUND:

The City entered into an Engineering Cost Reimbursement Agreement with Dallas, Garland & Northeastern Railroad, Inc. (DGNO) for the review of the railroad sidewalk construction plans associated with the Country Club Drive Improvement Project in an amount not to exceed Twenty-Six Thousand Four and No/100 dollars (\$26,004.00).

Contract Amendment No. 1 authorizes the addition of railroad sidewalk design services to be provided by Olsson, the representative consultant for DGNO.

FINANCIAL IMPLICATIONS:

Dallas, Garland & Northeastern Railroad, Inc. (DGNO) has submitted a proposal to the City of Carrollton to perform the additional professional engineering services for the Country Club Drive Improvement Project in an amount of \$20,636.00, for a revised contract amount not to exceed \$46,640.00. Funding is available in the Streets Consolidated Fund.

IMPACT ON COMMUNITY SUSTAINABILITY:

This project will support the City Council's strategic objectives and vision of building a community that families and businesses want to call home by:

Improving safety at and approaching the railroad crossing by coordinating with DGNO to address

design constraints, access, and protection requirements. (Accessible)
Reducing future change orders and schedule delays by resolving railroad review, right-of-entry, and technical submittals during design, rather than in construction. (Optimization)
Enhancing daily mobility and reliability on Country Club by coordinating rail-related design elements that maintain traffic and emergency access during and after construction. (Accessible)
Maintaining engagement with stakeholders by setting clear expectations on railroad timelines, outages, and construction windows. (Optimization)
Reinforcing reinvestment in existing corridors through targeted coordination that resolves long-standing constraints at the rail crossing. (Accessible)

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends authorizing the City Manager to amend the existing engineering design services contract with Dallas, Garland & Northeastern Railroad, Inc. (DGNO). for the proposed design changes for the Country Club Drive Improvement project in an amount of \$20,636.00, increasing the total contract in an amount not to exceed \$46,640.00.

Hold A Public Hearing To Consider An Ordinance Amending The Zoning On An Approximately 33-Acre Tract Zoned PD-215 For The (SF-7/14) Single Family Residential District Located At 2205 East Hebron Parkway To Repeal and Replace Ordinance No. 3922 Reestablishing Planned Development 215; To Allow A Reduction In The Required Setback, And To Modify Conceptual Plans; Amending The Official Zoning Map Accordingly. Case No. PLZ 2025-180 First United Methodist Church.

BACKGROUND:

The applicant's request is to repeal and replace PD-215 to modify conceptual plans and to revise development standards to allow a zero-foot side yard setback between the two properties, reducing the eastern setback on the western property and the western setback on the eastern property. No other physical changes to the plans are proposed with this request.

Public comments were received.

FINANCIAL IMPLICATIONS:

There are no financial implications on the current and future operating budgets regarding this request.

STAFF RECOMMENDATION/ACTION DESIRED:

On December 4, 2025, the Planning and Zoning Commission recommended approval of the request with stipulations.

Staff recommends approval, with one modification to add that traffic circulation, parking, and access shall remain shared between Tracts 1 and 2, consistent with the approved TIA (see result sheet).

The ordinance, as drafted, currently includes the Planning and Zoning Commission's recommended

stipulations **but does not yet include** the added stipulation recommending shared traffic circulation, parking and access for both tracts.

Staff recommends **APPROVAL** with stipulations with the added stipulation included in the adoption of the proposed ordinance.

RESULTS SHEET

Date: 01/06/26

Case No./Name: PLZ 2025-180 FUMC

A. STIPULATIONS AND RECOMMENDATIONS

Only the language shown in green text reflects new regulations for PD 215. All language shown in black text reflects existing requirements carried forward from Ordinance 3922. While the formatting and language will be updated to align with current standards, the requirements associated with Ordinance 3922 will remain unchanged.

Staff recommends **APPROVAL** amending PD-215 to modify conceptual plans and to revise development standards to allow a zero-foot side yard setback between the proposed two properties, reducing the eastern setback on the western property and the western setback on the eastern property, and to add a stipulation under the subsection labeled “General”, numbered 6, to require shared parking, circulation and mutual access throughout PD-215, Tracts 1 and 2, consistent with the approved traffic impact analysis (TIA):

Permitted Uses

Permitted uses shall be all principal and accessory uses which are allowed by right in the (SF-7/14) Single-Family Detached Residential District, in accordance with Article V of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations of the (SF-7/14) Single-Family Detached Residential District and the Comprehensive Zoning Ordinance, as amended, except as otherwise provided in Section II below.

A Special Use Permit shall be required for all uses otherwise requiring a Special Use Permit in the (SF-7/14) Single-Family Detached Residential District, in accordance with Article V of the Comprehensive Zoning Ordinance, as amended. Such Special Use Permit(s) shall be subject to the conditions established in Articles XXI and XXXI of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations, except as otherwise provided in Section II below.

Additional Permitted Uses

1. Elementary and Secondary School, Public or Private
2. Private Pre-School and Child Day Care Service

Development shall be in general conformance with the following special conditions, restrictions, and regulations:

General:

1. Development shall be in general conformance with the Conceptual Site Plan, Exhibit C; Landscape Screening Plans, Exhibit D; Traffic Circulation Plans, Exhibits E and F; and Conceptual Building Elevations, Exhibit G.
2. The minimum setback for the eastern side setback of Tract 1, see Exhibit B, shall be zero-feet or 0-feet.
3. The minimum setback for the western side setback of Tract 2, see Exhibit B, shall be zero-feet or 0-feet.
4. The design and architectural features of the field house and all future additions shall be similar to the existing buildings.
5. The maximum number of students shall be: 779
 - a. Private Pre-School/ Child Day Care Service: 129
 - b. Elementary and Secondary School, Public or Private: 650
 - c. The existing portable building must be removed within 90 days of issuance of a Certificate of Occupancy for Phase 4 (Future Sanctuary).
6. Traffic circulation, parking, and access shall remain shared between Tracts 1 and 2, consistent with the approved TIA and as provided on Exhibits B, E, and F.

Streets and Traffic Mitigation:

1. A traffic impact analysis and a new technical site plan shall be required if the overall student population is expected to exceed 779 students for the entire 33-acre site.
2. Traffic circulation for pick-up and drop-off shall follow the Traffic Circulation Plan, shown as Exhibits E and F.
3. Start and end times associated with the pre-school/Child Day Care Service and the Elementary/Secondary school shall be staggered by a minimum of 45 minutes.

Landscaping/Screening:

1. A landscape screen, maintained in accordance with the Comprehensive Zoning Ordinance (CZO), shall be provided along the east line, outside of the drainage easement, and beginning at the north end of the sanctuary, as shown on the Landscape and Conceptual Site Plans.
 - a. The landscape screen required along the drainage channel shall be in the form of a group of plant material comprised of 5 evergreen trees, be a minimum three 3-inch-caliper size at the time of planting and planted at a rate of 1 group for each 150-linear-feet of drainage easement.
 - b. A minimum 15-foot-wide landscape buffer shall be installed and maintained along the northeast corner of Arbor Creek Drive and Hebron Parkway East, as shown on the attached Exhibit D, in accordance with the Comprehensive Zoning Ordinance.
2. Landscape screening shall be provided along and east of the alley adjacent to Lots 10 - 20, Block A, Arbor Creek, Phase VI; and Lots 37-43, Block A, Arbor Creek, Phases IV and V with the following requirements:
 - a. 30-gallon evergreen trees shall be planted an average of 3 evergreen trees for every house backing to the landscape screening area (See Landscape Screening, Exhibit D);
 - b. Evergreen trees shall not be less than 10 feet from the alley;

- c. As required in the Comprehensive Zoning Ordinance (CZO), the following shall be submitted to obtain permits:
 - i. Landscape plan providing the specific location and types of evergreen trees;
 - ii. Irrigation plan

Athletic Field

1. Lighting poles, not to exceed 60 feet in height, shall be permitted for the football field.
2. Athletic field lighting shall be turned off no later than 10:30 p.m.
3. Lighting for parking lots and driveways shall be limited to 30 feet in height.
4. Scoreboard shall not exceed a maximum height of 23.5 feet, as shown on the conceptual site plan.
5. Two 25-second clocks with a maximum height of 6 feet shall be permitted, as shown on the conceptual site plan.
6. Bleachers shall be permitted on the east side of the football field, as shown on the attached conceptual site plan.
 - a. Bleachers shall not exceed dimensions of 66 feet long, 13 feet wide and a height of 7.5 feet.
 - b. Bleachers shall not exceed 6 rows.
7. Bleachers and a press box shall be permitted on the west side of the football field, as shown on the attached conceptual site plan.
 - a. Bleachers shall not exceed dimensions of 120 feet long, 46 feet wide and a height of 29.5 feet to the top of the security fence on top of the press box.
 - b. Bleachers on the west side of the football field shall not exceed 15 rows.

EXHIBIT B – TRACT DESIGNATION MAP

APPLICANT'S NARRATIVE

The subject property located at 2205 E. Hebron Parkway (the “Property”) is currently developed and utilized as a Church and a School, along with related site improvements. The existing Church building and School building are physically connected by two structures: an elevated walkway and a ground-level walkway (collectively referred to as the “Walkways”). These Walkways currently provide physical access between the two buildings, creating a singular, unified site.

The Applicant is requesting approval to amend the Planned Development District for the Property in order to facilitate the following changes:

Physical Separation of the Church and School Buildings

The Applicant proposes to physically separate the Church and School buildings by enclosing and walling off the Walkways that currently connect them. This modification will create two distinct and independent structures, one serving as a Church and the other serving as a School. The proposed separation will not involve any significant exterior modifications to the existing buildings beyond the enclosure of the Walkways and will not result in additional site improvements elsewhere on the Property.

Amendment to the Planned Development District for Side Setbacks

As part of this application, the Applicant is requesting an amendment to the existing Planned Development District to allow for a zero-foot (0') side setback between the two newly created lots. This modification is necessary to accommodate the proposed replatting and to ensure compliance with zoning requirements following the physical separation of the Church and School buildings. The zero-foot (0') side setback is appropriate given the nature of the existing development and the continued use of the Property as a Church and a School.

Continuation of Existing Uses

The Applicant affirms that, following the proposed changes, the Property will continue to be used as it is currently: one parcel will remain in use as a Church, and the other parcel will remain in use as a School. The proposed modifications are intended solely to create legal and physical separation between the two uses and will not result in any changes to the nature of the operations or the intensity of use on the Property.

No Additional Site Improvements

The Applicant does not propose any additional site improvements or modifications beyond the enclosure of the Walkways. The existing parking areas, landscaping, utilities, and other site features will remain unchanged and continue to serve the needs of both the Church and the School.

STAFF ANALYSIS

PROPOSAL

The applicant's request is to repeal and replace PD-215 to modify conceptual plans and to revise development standards to allow a zero-foot side yard setback between the two properties, reducing the eastern setback on the western property and the western setback on the eastern property.

The request does not modify the location of buildings nor propose any physical modifications to parking and access.

ZONING

The property is zoned PD-215 for the (SF-7/14) Single Family Residential District.

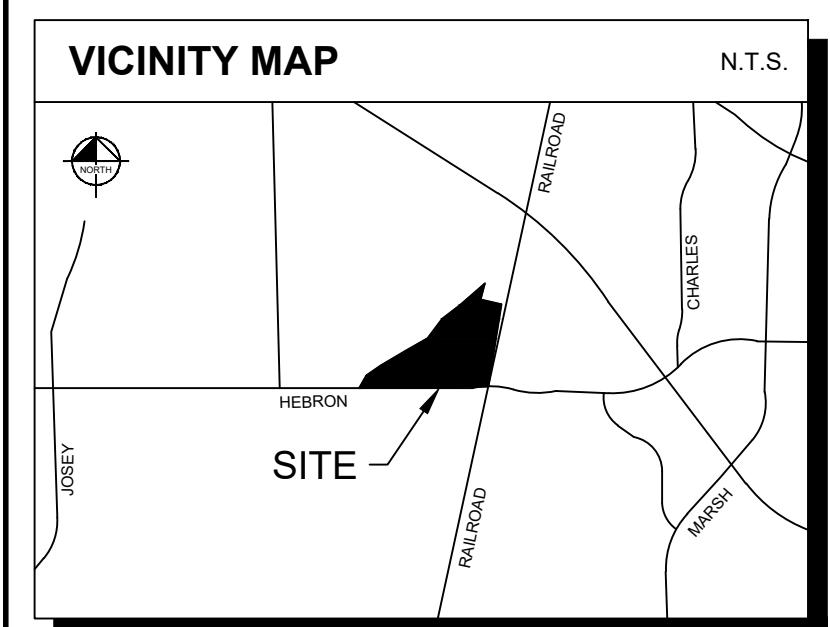

Minimum side yard setbacks are 6 feet for one story buildings or 8 feet for two story buildings.

ELEMENTS TO CONSIDER

1. SUP 272 was approved in 2001 permitting a private school, with the existing church on a single lot. In 2019, PD 215 repealed and replaced SUP 272 and permitted 779 students.
2. A Traffic Impact Analysis (TIA) was approved by the Transportation Department when the school was initially permitted. The number of students permitted will remain unchanged.
3. No expansion or changes to the existing buildings or structures are proposed with this rezoning request.
4. The landowner intends to subdivide the property and sell a portion of the lot. The two existing buildings on the site are currently connected by two breezeways. The proposed subdivision line will run between these buildings, necessitating the elimination of the side-yard setback at the shared property line and resulting in a zero-foot side yard setback.
Traffic circulation, parking, and access will remain shared between the properties, Tracts 1 and 2, consistent with the TIA and as provided on Exhibits B, E, and F.
5. Should the zoning request be approved, a corresponding replat must be approved and recorded before the property owner can subdivide and sell a portion of the lot. In accordance with the building code, a fire wall located at the proposed property line and with the breezeways will be required prior to plat recordation.
 - a. The Building Inspection and Fire Departments have reviewed the zoning case and have indicated no objections to the request.

CONCLUSION:

Staff believes the request is reasonable and it should not have any adverse impact to the surrounding uses.

PUBLIC HEARING:

4. Hold A Public Hearing To Consider An Ordinance **Amending The Zoning** On An Approximately 33-Acre Tract Zoned PD-215 For The (SF-7/14) Single Family Residential District Located At 2205 East Hebron Parkway To Repeal and Replace Ordinance No. 3922 Reestablishing Planned Development 215; To Allow A Reduction In The Required Setback, And To Modify Conceptual Plans; Amending The Official Zoning Map Accordingly. **Case No. PLZ 2025-180 First United Methodist Church.** Case Coordinator: Emily Offer.

Senior Planner Emily Offer presented this item. She reviewed the location for PD 215, which is zoned single family. The applicant is requesting to have a zero side yard setback to enable a portion of the lot to be sold. She advised that currently there are two breezeways connecting two buildings. A conceptual site was presented. She noted that no new structures are being proposed. Staff is recommending approval with stipulations.

Nikelle Meade, 111 Congress Ave, Austin, Texas, stated she is representing the applicant. She advised that this approval would allow the two properties to be separated.

Chair Windrow opened the public hearing. There were no speakers. One card in opposition was submitted from Austin Denson, 4222 Arbor Creek Dr.

- * *Commissioner Foster moved to close the public hearing and approve Case No. PLZ 2025-180 First United Methodist Church with stipulations; second by Commissioner Pendleton. The motion was approved with a vote of 9-0.*

Dear City of Carrollton Officials,

We are writing to express our strong opposition to the proposed modification to the existing Special Use Permit (SUP). Since the Church and school have established themselves on this property, they have not proven to be considerate neighbors. Despite their assurances, they have repeatedly reneged on their promises, such as their claim that there would be no lights for the sports fields, only to later seek permission to install them.

Additionally, they have failed to meet the requirements for the landscape buffer along the eastern edge of the property. Their efforts were minimal, falling short of the mandated three trees per house, and the landscaping was not maintained, leading to the death of most of the buffer along the alley. This negligence suggests a lack of regard for their neighbors, community, and the law.

Given their track record, we question why the City should accommodate them further by changing the setback requirements to facilitate the sale of a portion of their property when they have consistently failed to comply with the current regulations. Their disregard for their neighbors has resulted in intrusive noise and music, disrupting our ability to enjoy our own homes.

We urge the City of Carrollton to consider the community's concerns and uphold the existing requirements to ensure the well-being and harmony of our neighborhood.

Thank you for your attention to this matter.

Sincerely,

Steve Ruff

PLANNED DEVELOPMENT NO. 215
DEVELOPMENT NAME: First United Methodist Church

ORDINANCE NUMBER _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CARROLLTON, TEXAS AMENDING ITS COMPREHENSIVE ZONING ORDINANCE TO REPEAL AND REPLACE PLANNED DEVELOPMENT 215, ORDINANCE 3922, ON AN APPROXIMATELY 33-ACRE TRACT LOCATED AT 2205 EAST HEBRON PARKWAY AND THE NORTHEAST CORNER OF HEBRON PARKWAY AND ARBOR CREEK DRIVE; TO REPEAL AND REPLACE ORDINANCE NO. 3922 REESTABLISHING PLANNED DEVELOPMENT 215; TO ALLOW A REDUCTION IN THE REQUIRED SETBACK, AND TO MODIFY CONCEPTUAL PLANS; PROVIDING PENALTY, SEVERABILITY, REPEALER AND SAVINGS CLAUSES; AMENDING THE OFFICIAL ZONING MAP ACCORDINGLY; AND PROVIDING FOR AN EFFECTIVE DATE ON AND AFTER ITS ADOPTION AND PUBLICATION.

WHEREAS, at a public hearing held on the Fourth day of December 2025, the Planning & Zoning Commission considered and made recommendation on a certain request for a Planned Development District (Case No. PLZ 2025-180); and

WHEREAS, this change of zoning is in accordance with the adopted Comprehensive Plan of the City of Carrollton, as amended; and

WHEREAS, the City Council conducted a public hearing on the Sixth day of January 2026, at which all persons were given an opportunity to present testimony; and

WHEREAS, this change of zoning will distinguish development standards specially applicable to the unique nature of the approximately 33-acre tract; and

WHEREAS, the City Council, after determining all legal requirements of notice and hearing have been met, has further determined the following amendment to the zoning laws would provide for and would be in the best interest of the health, safety, morals and general welfare:

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CARROLLTON, TEXAS, THAT:

Section 1.

All of the above premises are found to be true and correct legislative and factual findings of the City Council, and they are hereby approved, ratified and incorporated into the body of this Ordinance as if copied in their entirety.

Section 2.

Ordinance number 3922 establishing Planned Development 215 is hereby repealed and replaced.

Section 3.

Planned Development Number 215 located on an approximately 33-acre tract at the northeast corner of East Hebron Parkway and Arbor Creek Drive, generally depicted on Exhibit A, is hereby reestablished, to provide the following:

Permitted Uses

Permitted uses shall be all principal and accessory uses which are allowed by right in the (SF-7/14) Single-Family Detached Residential District, in accordance with Article V of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations of the (SF-7/14) Single-Family Detached Residential District and the Comprehensive Zoning Ordinance, as amended, except as otherwise provided in Section II below.

A Special Use Permit shall be required for all uses otherwise requiring a Special Use Permit in the (SF-7/14) Single-Family Detached Residential District, in accordance with Article V of the Comprehensive Zoning Ordinance, as amended. Such Special Use Permit(s) shall be subject to the conditions established in Articles XXI and XXXI of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations, except as otherwise provided in Section II below.

 - b. Elementary and Secondary School, Public or Private: 650
 - c. The existing portable building must be removed within 90 days of issuance of a Certificate of Occupancy for Phase 4 (Future Sanctuary).

Streets and Traffic Mitigation:

1. A traffic impact analysis and a new technical site plan shall be required if the overall student population is expected to exceed 779 students for the entire 33-acre site.
2. Traffic circulation for pick-up and drop-off shall follow the Traffic Circulation Plan, shown as Exhibits E and F.
3. Start and end times associated with the pre-school/Child Day Care Service and the Elementary/Secondary school shall be staggered by a minimum of 45 minutes.

Landscaping/Screening:

1. A landscape screen, maintained in accordance with the Comprehensive Zoning Ordinance (CZO), shall be provided along the east line, outside of the drainage easement, and beginning at the north end of the sanctuary, as shown on the Landscape and Conceptual Site Plans.
 - a. The landscape screen required along the drainage channel shall be in the form of a group of plant material comprised of 5 evergreen trees, be a minimum three 3-inch-caliper size at the time of planting and planted at a rate of 1 group for each 150-linear-feet of drainage easement.
 - b. A minimum 15-foot-wide landscape buffer shall be installed and maintained along the northeast corner of Arbor Creek Drive and Hebron Parkway East, as shown on the attached Exhibit D, in accordance with the Comprehensive Zoning Ordinance.

2. Landscape screening shall be provided along and east of the alley adjacent to Lots 10 - 20, Block A, Arbor Creek, Phase VI; and Lots 37-43, Block A, Arbor Creek, Phases IV and V with the following requirements:
 - a. 30-gallon evergreen trees shall be planted an average of 3 evergreen trees for every house backing to the landscape screening area (See Landscape Screening, Exhibit D);
 - b. Evergreen trees shall not be less than 10 feet from the alley;
 - c. As required in the Comprehensive Zoning Ordinance (CZO), the following shall be submitted to obtain permits:
 - i. Landscape plan providing the specific location and types of evergreen trees;
 - ii. Irrigation plan

Athletic Field:

1. Lighting poles, not to exceed 60 feet in height, shall be permitted for the football field.
2. Athletic field lighting shall be turned off no later than 10:30 p.m.
3. Lighting for parking lots and driveways shall be limited to 30 feet in height.
4. Scoreboard shall not exceed a maximum height of 23.5 feet, as shown on the conceptual site plan.
5. Two 25-second clocks with a maximum height of 6 feet shall be permitted, as shown on the conceptual site plan.
6. Bleachers shall be permitted on the east side of the football field, as shown on the attached conceptual site plan.
 - a. Bleachers shall not exceed dimensions of 66 feet long, 13 feet wide and a height of 7.5 feet.
 - b. Bleachers shall not exceed 6 rows.
7. Bleachers and a press box shall be permitted on the west side of the football field, as shown on the attached conceptual site plan.
 - a. Bleachers shall not exceed dimensions of 120 feet long, 46 feet wide and a height of 29.5 feet to the top of the security fence on top of the press box.
 - b. Bleachers on the west side of the football field shall not exceed 15 rows.

Section 4.

The Comprehensive Zoning Ordinance and the Official Map are hereby amended to reflect the action taken herein.

Section 5.

Any person violating any provision of this Ordinance, upon conviction, is guilty of an offense punishable as provided in Section 10.99 of the Carrollton City Code.

Section 6.

The provisions of this Ordinance are severable in accordance with Section 10.07 of the Carrollton City Code.

Section 7.

Ordinance Number 1470, otherwise known as the Comprehensive Zoning Ordinance, as amended, shall remain in full force and effect.

Section 8.

This Ordinance shall be cumulative of all provisions of ordinances of the City of Carrollton, Texas, except where the provisions of this Ordinance are in direct conflict with the provisions of such ordinances, in which event the conflicting provisions of such ordinances are hereby repealed.

Section 9.

This Ordinance shall become and be effective on and after its adoption and publication.

PASSED AND APPROVED this the Sixth day of January 2026.

Hold A Public Hearing To Consider An Ordinance Amending the Zoning On An Approximately 17.2-Acre Tract Zoned (LR-2) Local Retail District And Located On The Northeast Corner Of Parker Road And Josey Lane To Establish A Planned Development District To Repeal Special Use Permit (SUP-416), Ordinance No. 3634, Allowing A Gas Station; To Allow A Gasoline Station, Car Wash, Retail Store In Excess Of 75,000 Square Feet, And To Allow Parking As A Primary Use On A Separate Lot And Accessory To The Retail Store In Excess Of 75,000 Square Feet; To Allow Outside Display In Excess Of 5 Percent; To Create Development Standards And To Provide Concept Plans; Amending The Official Zoning Map Accordingly. Case No. PLZ 2025-182 North East Corner Of Parker Road And Josey Lane (Rezoning).

BACKGROUND:

The subject property is currently undeveloped and zoned (LR-2) Local Retail District with an existing Special Use Permit (SUP-416), allowing a gas station.

The applicant requests rezoning the subject tract to establish a new (PD) Planned Development to create development standards, to provide concept plans, and to allow a gas station, car wash, retail store in excess of 75,000 square feet, and parking on a separate lot, as a primary use, by right, and to repeal SUP-416.

A traffic impact analysis was submitted, reviewed and approved by the city's Transportation Engineering Division.

Public comments were received at the P&Z meeting.

FINANCIAL IMPLICATIONS:

There are no financial implications on the current and future operating budgets regarding this request.

STAFF RECOMMENDATION/ACTION DESIRED:

On December 4, 2025 Planning and Zoning Commission recommended approval of the rezoning request.

Staff recommends approval, with one modification to clarify a stipulation specifying that fencing next to single-family homes must be at least 8 feet tall (see result sheet).

The ordinance as drafted currently includes the Planning and Zoning Commission's recommended stipulations **but does not yet include** this fencing clarification.

RESULTS SHEET

Date: 01/06/2026

Case No./Name: PLZ 2025-182 NEC Parker and Josey Lane (Rezone)

A. STIPULATIONS AND RECOMMENDATIONS

Staff recommends **APPROVAL** to rezone and establish a (PD) Planned Development to allow certain uses by right (specifically mentioned below), establish development standards and provide conceptual plans, and repeal SUP-416, which allows a gas station, with the following stipulations with item B5 language modified to clarify a minimum 8-foot high fence adjacent to single family is required (shown in **green**).

A. Permitted Uses – Tracts A & B

Permitted uses shall be all principal and accessory uses which are allowed by right in the (LR-2) Local Retail District, in accordance with Article V. of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations of the (LR-2) Local Retail District and the Comprehensive Zoning Ordinance, as amended except as otherwise provided below.

A Special Use Permit shall be required for all uses otherwise requiring a Special Use Permit in the (LR-2) Local Retail District, in accordance with Article V. of the Comprehensive Zoning Ordinance, as amended. Such Special Use Permit(s) shall be subject to conditions established in Articles XXI. and XXXI. of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations.

Additional Permitted Uses:

1. Tract A.
 - a) Gas station;
 - b) Car wash;
 - c) Retail store in excess of 75,000 square feet of GLA;
2. Tract B.
 - a) Parking as primary use on a separate lot and accessory to the retail store in excess of 75,000 square feet, on Tract A.

B. Special Development Standards

Development shall be in accordance with the following conditions, restrictions and regulations:

1. Development shall be in general accordance with the Conceptual Site Plan, Conceptual Landscape Plan, and Conceptual Building Elevations, and shown as Exhibits C, D, and E, respectively.
2. The gas station and car wash shall have elevations consistent with the main retail building.
3. Parking spaces required for the land use of retail, mixed/multiple use shopping center exceeding 50,000 square feet of total building area shall not have a maximum number of spots.
4. Maximum building height shall be 50-feet for the building on Tract A.
5. Required screening ~~can~~ may be Fencecrete or other materials in-conformance with the Fence Ordinance and Comprehensive Zoning Ordinance. The minimum fence height shall be 8-feet adjacent to Screening against residential uses, with a maximum height up to can be a maximum of twelve feet (12') in height.
6. Roof-mounted mechanical units shall not have a restriction on the location, size, or height, and can be screened individually or by a parapet wall. Parapet walls constructed for the purpose of screening shall be constructed to the height of the equipment, not to exceed six feet (6'). Rooftop screening shall be required if mechanical equipment is visible from the property line at eye level.

STAFF ANALYSIS

PROPOSAL:

The request is to rezone 17.2-acres by establishing a (PD) Planned Development to allow a large grocer (retail in excess of 75,000 square feet), a gas station, car wash, and parking on a separate lot.

The PD will also establish development standards and provide conceptual plans for the property.

CURRENT ZONING REGULATIONS

1. The property is zoned (LR-2) Local Retail District with (SUP) Special Use Permit for a gas station (SUP-416).
2. Local Retail District allows retail uses by right. However, retail tenants exceeding 75,000 square feet, gas stations, car washes and parking lots on separate lots (without a building) require an approved (SUP) Special Use Permit.
3. Article XIV. Local Retail District limits the maximum height of buildings to 25 feet.
4. Article XXVI. Outside Storage and Display, of the Comprehensive Zoning Ordinance (CZO) states:
 - a. The area devoted to outside display shall not exceed five percent of the total floor area of the building occupied by the use to which such outside display is accessory.
 - b. Outside storage shall be screened from the view of any adjacent public street by a solid, opaque wall or fence of not less than six feet in height measured at the highest finished grade.
 - c. Vehicles, trailers, mobile machinery or equipment shall be permitted to exceed the height of such screening wall or fence, provided, however, that no vehicle, trailer, mobile machinery or equipment shall be used for, nor constitute, permanent storage.
5. Article XXIV. Off Street Parking, Loading, and Stacking requires 1 parking space for each 350 square feet of floor area, for retail, with a maximum 1 space per 250 square feet of floor area.
6. Article XXV. Landscape and Screening requires:
 - a. Two, three-inch caliper shade trees, 10-12 feet in height at the time of planting, for each 100 linear feet of street frontage.
 - b. Shade trees are prohibited from being planted under overhead or over underground utilities. All plant material planted under overhead or over underground utility lines shall be of such a stature and/or have such a root system so that they will not interfere with the integrity or operation of the utility facilities.
 - c. Any outdoor parking lot that contains 100 or more parking spaces shall provide not less than 10 percent of the interior of such lot, inclusive of maneuvering aisles, landscaped as follows: - One shade tree for each 10 parking spaces or fraction thereof;
 - i. All parking spaces shall be located within 100 feet of a tree that is located within the same parking area, measured from the trunk of the tree.

- d. A solid, opaque masonry screening wall, not less than six (6) feet in height, shall be provided and maintained along the property line of any parcel within the (LR-2) Local Retail District abuts any residentially zoned property.
- e. Waste receptacles shall be screened on all sides by a solid, opaque masonry wall not less than six feet in height. Receptacles completely hidden from view from any street, or a residentially zoned property shall not be required to provide enclosures.

ELEMENTS TO CONSIDER

- 1. The property is currently undeveloped and has been zoned (LR-2) Local Retail District since August 4, 2014. A Special Use Permit (SUP-416) was also approved for a gas station, the same day.
- 2. The rezoning request creates a PD and master plan proposing a 120,000 square foot grocery store, an accessory gas station and car wash, and a separate parcel for parking, allowing the uses by right instead of via SUP.
- 3. The grocer will also have a pharmacy (with a drive-through window) on the east side and a restaurant (with a drive-through) on the west side of the building.
- 4. Covered grocery pick-up spaces will also be provided, east of the building.
- 5. A site plan, landscape plan, and sample elevations for the buildings are provided with the PD. The car wash and gas station elevations shall be consistent with the architecturals of the main retail building.
- 6. Tract A requires 343 parking spaces. The site plan provides 613 parking spaces for Tract A. The site plan provides sufficient stacking for the restaurant, on the west side of the building, the pharmacy window, on the east side, and for the car wash.
- 7. Tract B will provide a 110-space parking lot, on a separate parcel, for the large grocer located on Tract A. The parking lot will be utilized by employees.
- 8. The parking demands for the grocer requires a significant amount of spaces due to the number of patrons that shop at the store. In response the PD allows the retailer to provide more parking than the maximum permitted to accommodate customers.
- 9. A Traffic Impact Analysis (TIA) was reviewed and provided sufficient mitigation for the site including but not limited to right turn deceleration lanes along Parker Road and Josey Lane. The applicant is working with TXDOT to install a signal for the median opening along Parker Road.
- 10. The proposed (PD) Planned Development would allow up to 20 percent outdoor display (instead of the maximum 5 percent) for merchandise at the front of the grocer, as the retailer utilizes such areas at their other locations. The site plan provides the outdoor display area shown cross-hatched.
- 11. Since produce and plants will be some of the products sold within the outdoor display areas, trees within landscape islands will be setback at least 200 feet from the front of the building in order to prevent birds from damaging the food and plant products.

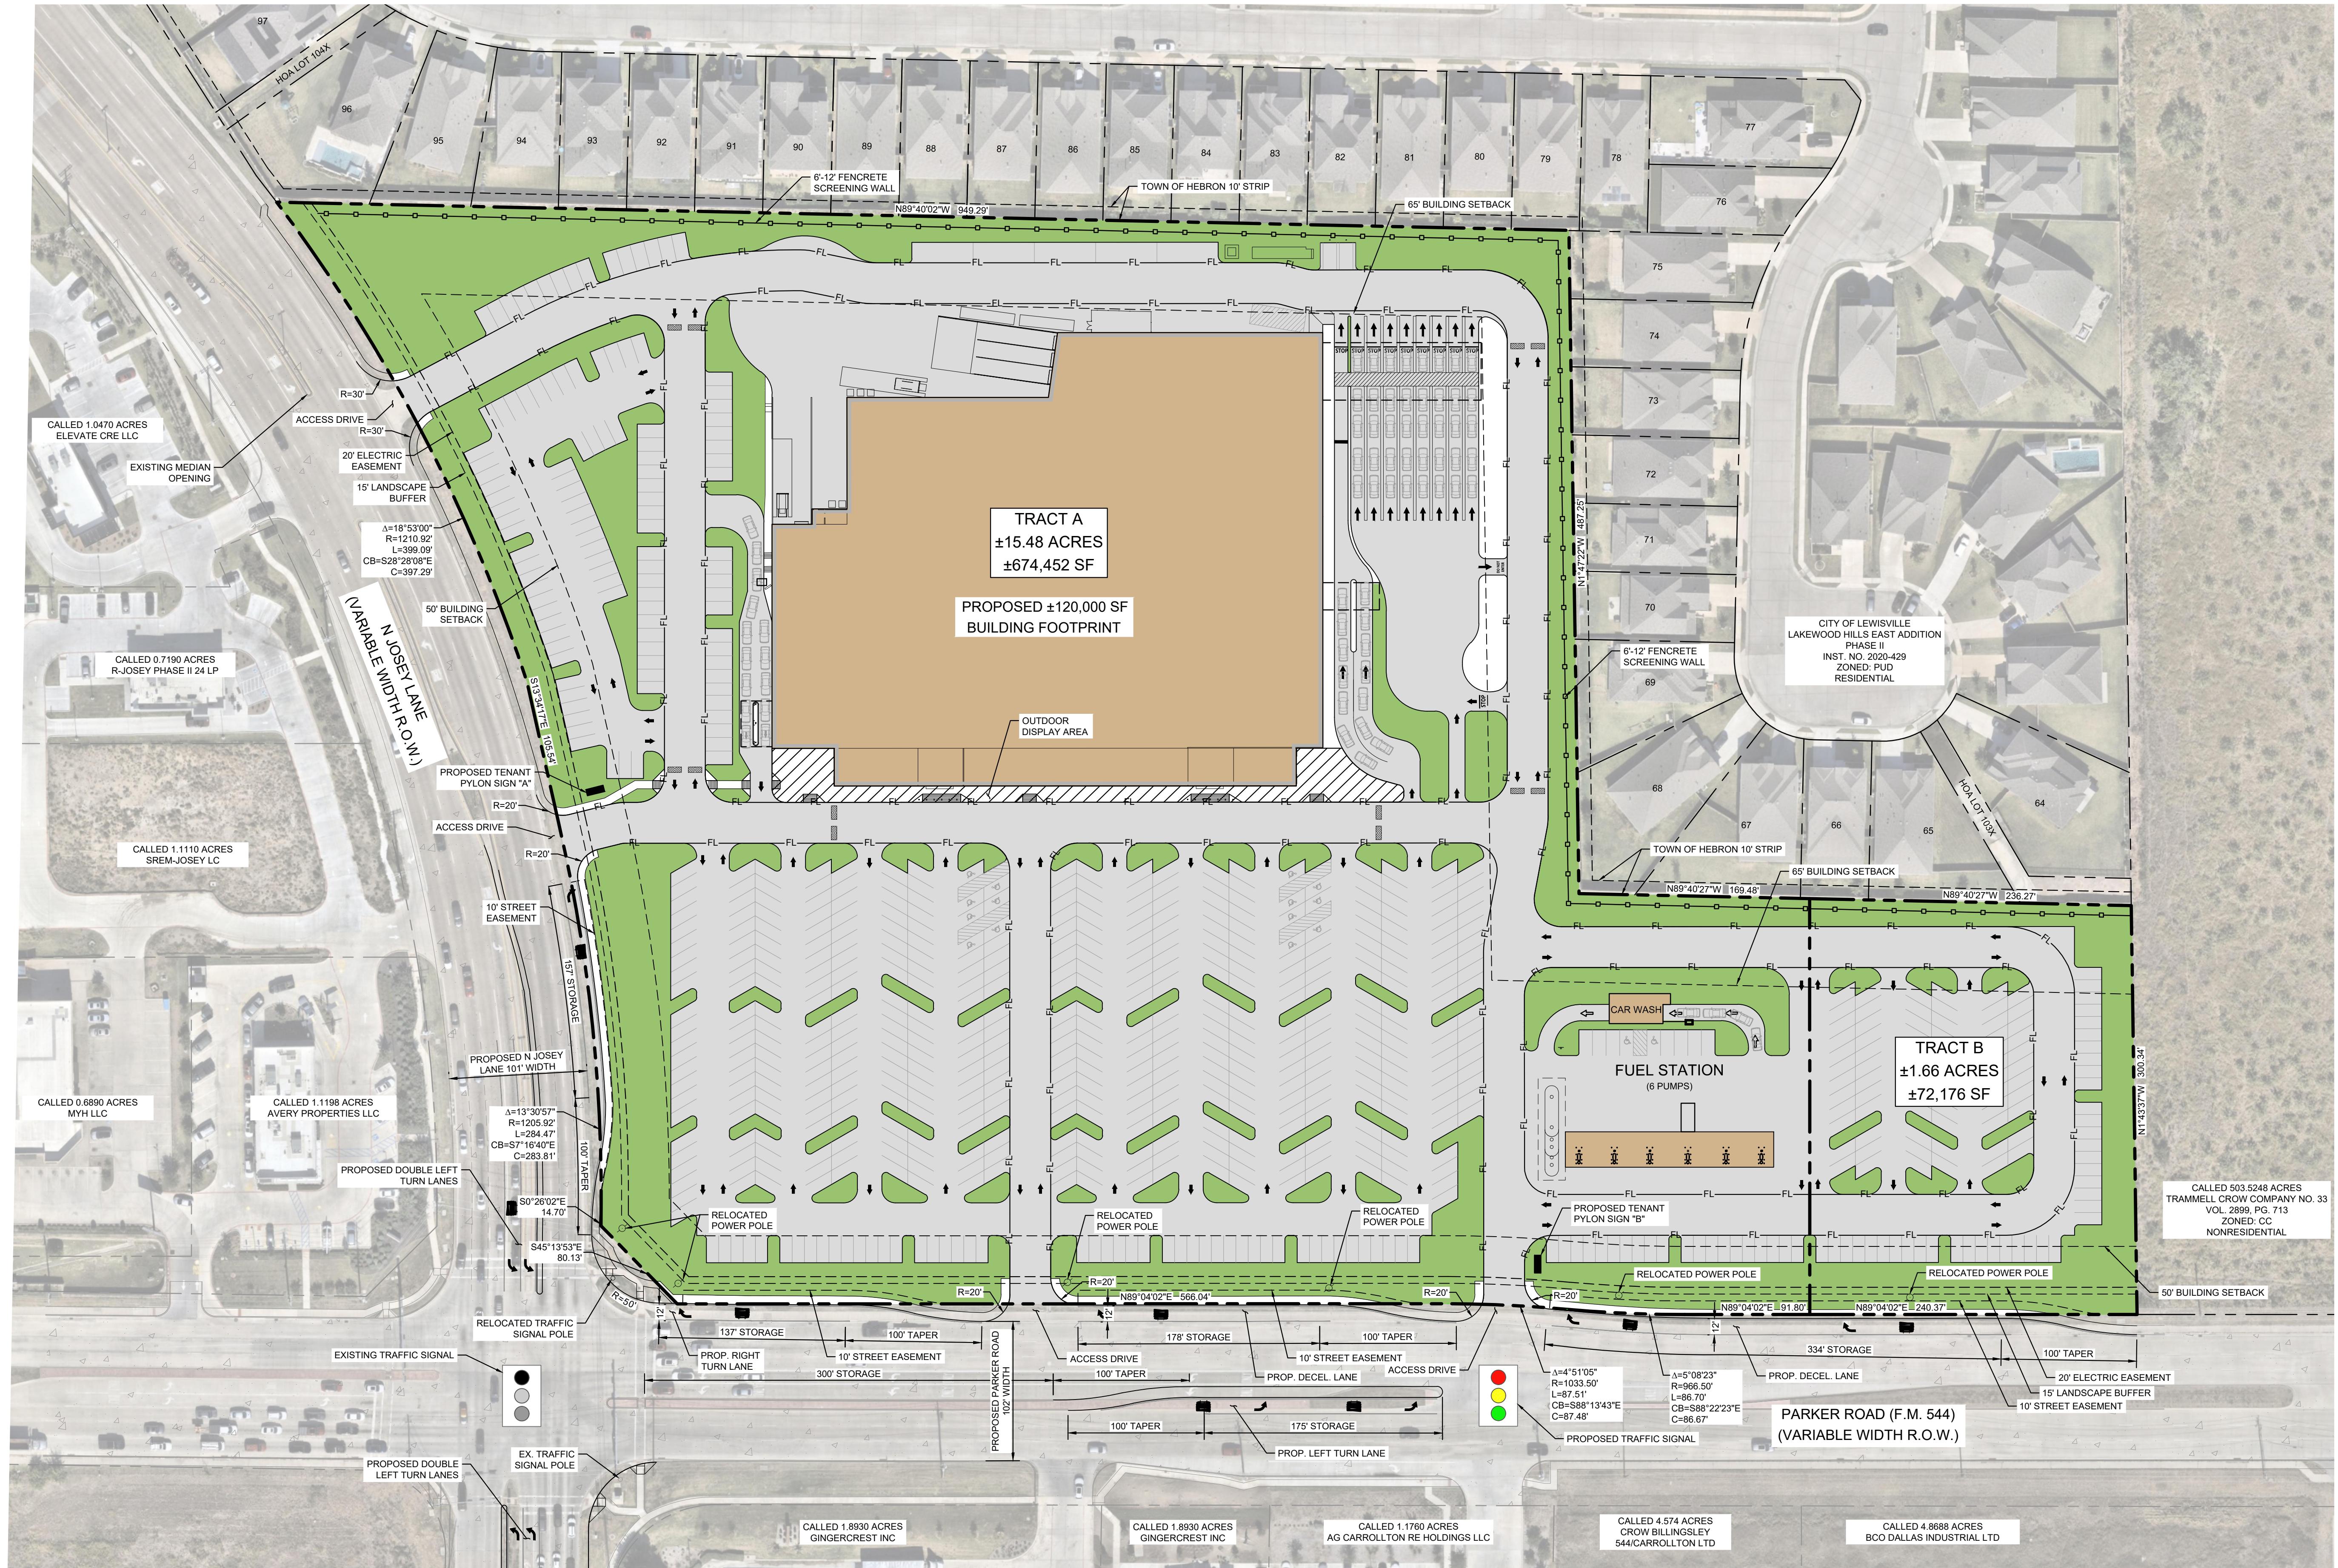

12. The PD waives the foundation planting requirement for shrubs since plants will be sold in abundance at the front of the retailer in the display area.
13. The PD proposes allowing fencecrete (precast concrete) walls or other materials in-conformance with the Fence Ordinance and CZO for up to 12-feet in height in order to screen storage areas behind the building from single family homes adjacent and north, in the City of Lewisville.

There was not specific language, in the PD, indicating the minimum height of the wall. Therefore, staff is recommending modifying the PD text to add and clarify that the minimum height of the fencecrete wall adjacent to the single family homes shall be 8-feet.

14. All outdoor storage, including storage containers and waste receptacles will be located at the rear of the property, behind the building and out of view from the street. Therefore, the PD will not require storage areas and waste receptacles to be screened or within an enclosure, other than from the adjoining residential properties.
15. Landscaping.
 - a. The PD will also allow landscape islands every 12 parking spaces in a row, instead of every 10 due to the high demand of patrons shopping at the store and to accommodate more parking spaces.
 - b. The proposed PD will allow trees within 200 feet, instead of 100 feet from parking spaces since the number of parking spaces needed on the property are at a premium.
 - c. Two 3-inch caliper trees every 200 feet will be allowed within street buffers along Parker Road and Josey Lane, instead of the two trees every 100 feet.
 - d. The proposed PD reduces the overall minimum landscaping for the site from 15 percent to 10 percent to accommodate the additional parking.

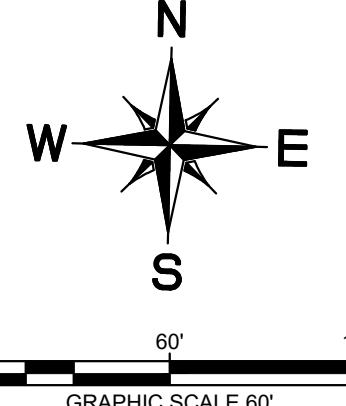

CONCLUSION:

The proposed PD provides a master plan for a major regional grocer while addressing parking and traffic circulation for the large retailer. A TIA was reviewed and mitigation provided with the rezoning request. Staff recommends approval with the stated stipulations proposed in the PD.

PUBLIC HEARING:

5. Hold A Public Hearing To Consider An Ordinance **Amending the Zoning** On An Approximately 17.2-Acre Tract Zoned (LR-2) Local Retail District And Located On The Northeast Corner Of Parker Road And Josey Lane **To Establish A Planned Development District** To Repeal Special Use Permit (SUP-416), Ordinance No. 3634, Allowing A Gas Station; To Allow A Gasoline Station, Car Wash, Retail Store In Excess Of 75,000 Square Feet, And To Allow Parking As A Primary Use On A Separate Lot And Accessory To The Retail Store In Excess Of 75,000 Square Feet; To Allow Outside Display In Excess Of 5 Percent; To Create Development Standards And To Provide Concept Plans; Amending The

Official Zoning Map Accordingly. **Case No. PLZ 2025-182 NEC Parker and Josey Lane (Rezoning)**. Case Coordinator: Loren Shapiro.

Loren Shapiro, Planning Manager, presented this item. He reviewed the location of the property that is currently zoned local retail with a special use permit (SUP) for a gas station. He described the surrounding zoning.

Mr. Shapiro stated that the applicant is proposing a 120,000 square foot (HEB) grocery store. The rezoning request establishes a Planned Development allowing a retail store in excess of 75,000 square feet, a car wash, gas station and surface parking lot on a separate lot, by right (instead of via SUP), and provided a master plan in the form of conceptual site plans, with development regulations. Drive throughs are planned for a barbecue restaurant on the west side of the building and a pharmacy on the east end. There is a covered customer pickup area and large amount of queuing spaces for patrons.

Mr. Shapiro advised that a traffic study was provided. Traffic mitigation included three dedicated right turn lanes for westbound Parker Road, as well as a northbound right turn lane at the first driveway from Josey Lane. He noted that HEB must coordinate traffic turn lanes and the additional signal on Parker with TxDOT. The applicant proposes 613 parking spaces and is requesting landscape islands every 12 spaces to maximize parking spaces due to anticipated customer demand. Plans are for trees on the property to be setback 200 feet from the building to protect produce and plants for sale, in the front display area, from birds. Mr. Shapiro mentioned that the PD proposes a reduction in trees on the property and along Parker and Josey to allow for greater visibility of the store, accommodate underground detention in the parking area and to avoid conflicts with existing overhead power lines. Ornamental grasses and shrubs will supplement the trees in the required 15-foot landscape buffer along streets and in landscape islands. Mr. Shapiro indicated that the City traffic engineers are available for questions.

Civil Engineer for the project Jonathan Kerby, 2600 N. Central Expressway, Richardson, was available for questions.

Commissioner Kramer asked why there is no traffic light proposed on Josey. Mr. Kerby stated that the amount of traffic on Josey crossing from the west side commercial does not warrant a traffic light as it is mostly truck traffic anticipated at that location. He added that the main entrance will be off Parker. HEB representative John Rose 5000 Plano Pkwy, Carrollton, added that the development has to meet the criteria for both Carrollton and Lewisville at this intersection. He stated that they will look at it again.

Commissioner Doyle asked the applicant about the use of the parking lot on Tract B. Mr. Rose responded it is for employee parking.

Commissioner Overholt asked whether there would be a northbound turn lane along Josey and asked about right turn lanes at the intersections of Parker and Josey. Mr. Rose responded that there would be a deceleration lane onto the property. He also stated that there will be a double left turn lane at southbound Josey. John Romberger, Traffic Engineer, stated that the City has

right-of-way northbound on Josey for a right turn going east on Parker, and also eastbound Parker to go south on Josey.

Chair Windrow opened the public hearing. He said the following submitted cards but did not wish to speak.

Cards In Support:

- Jeremy & Stacey Francis, 2025 Vista Crest, Carrollton
- Pavan Pauluri, 2008 Creekvista Dr, Carrollton mailing address but in the City of Lewisville

Cards In Opposition:

- Afzan Tharani, 2134 Creekbluff Ct., Carrollton mailing address but in the City of Lewisville

Speakers in Support:

- Samantha Maxam, 2007 Creekbluff Cir. Carrollton mailing address but in the City of Lewisville: concerned with traffic safety, requested 12' high fence
- Sam Lo, 2130 Creekbluff, Carrollton mailing address but in the City of Lewisville; supported the HEB but had a lot of requests to be added
- Kenny Tran, 3190 Ridgelake Way, Carrollton mailing address but in the City of Lewisville: traffic concerns

Speakers in Opposition:

- Chuck Treanor, 1007 Lakewood Hills, Carrollton mailing address but in the City of Lewisville: concerned with traffic light, fencing; fueling location; rear lighting affecting backyards
- Sanya Tharani, 2134 Creekbluff Ct., Carrollton mailing address but in the City of Lewisville

Commissioner Doyle asked about stipulation #13 regarding rear fencing height. Mr. Shapiro stated that the applicant requests the ability to place fencing up to 12' high to buffer outdoor storage areas from residents. Mr. Rose, applicant, responded that they could look at increasing the fence height in other areas. He added that the lighting on the rear of the building should not carryover onto the neighboring properties, as they will follow city light and glare requirements.

Commissioner Foster asked what the normal height of the fence would be. The applicant responded 8 feet.

* *Commissioner Hermon moved to close the public hearing and approve Case No. PLZ 2025-182 NEC Parker and Josey Lane (Rezoning) with stipulations; second by Commissioner Foster. The motion was approved with a vote of 9-0.*

PLANNED DEVELOPMENT NO. 211
DEVELOPMENT NAME: NEC Parker & Josey (Rezoning)

ORDINANCE NUMBER _____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CARROLLTON, TEXAS AMENDING ITS COMPREHENSIVE ZONING ORDINANCE TO ESTABLISH PLANNED DEVELOPMENT 211, ON AN APPROXIMATELY 17.2-ACRE TRACT LOCATED AT THE NORTHEAST CORNER OF PARKER ROAD AND JOSEY LANE; TO ESTABLISH A PLANNED DEVELOPMENT DISTRICT TO REPEAL SPECIAL USE PERMIT (SUP-416), ORDINANCE NO. 3634, ALLOWING A GAS STATION; TO ALLOW A GASOLINE STATION, CAR WASH, RETAIL STORE IN EXCESS OF 75,000 SQUARE FEET, AND TO ALLOW PARKING AS A PRIMARY USE ON A SEPARATE LOT AND ACCESSORY TO THE RETAIL STORE IN EXCESS OF 75,000 SQUARE FEET; TO ALLOW OUTSIDE DISPLAY IN EXCESS OF 5 PERCENT; TO CREATE DEVELOPMENT STANDARDS AND TO PROVIDE CONCEPT PLANS; PROVIDING PENALTY, SEVERABILITY, REPEALER AND SAVINGS CLAUSES; AMENDING THE OFFICIAL ZONING MAP ACCORDINGLY; AND PROVIDING FOR AN EFFECTIVE DATE ON AND AFTER ITS ADOPTION AND PUBLICATION.

WHEREAS, at a public hearing held on the Fourth day of December 2025, the Planning & Zoning Commission considered and made recommendation on a certain request for a Planned Development District (Case No. PLZ 2025-182); and

WHEREAS, this change of zoning is in accordance with the adopted Comprehensive Plan of the City of Carrollton, as amended; and

WHEREAS, the City Council conducted a public hearing on the Sixth day of January 2026, at which all persons were given an opportunity to present testimony; and

WHEREAS, this change of zoning will distinguish development standards specially applicable to the unique nature of the approximately 17.2-acre tract; and

WHEREAS, the City Council, after determining all legal requirements of notice and hearing have been met, has further determined the following amendment to the zoning laws would provide for and would be in the best interest of the health, safety, morals and general welfare:

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CARROLLTON, TEXAS, THAT:

Section 1.

All of the above premises are found to be true and correct legislative and factual findings of the City Council, and they are hereby approved, ratified and incorporated into the body of this Ordinance as if copied in their entirety.

Section 2.

Ordinance 3634 establishing Special Use Permit (SUP-416) approved August 5, 2014, is hereby repealed.

Section 3.

Planned Development Number 211 located on an approximately 17.2-acre tract at the northeast corner of Parker Road and Josey Lane, described on Exhibit A and generally depicted on Exhibit B, is hereby established, to provide the following:

A. Permitted Uses – Tracts A & B

Permitted uses shall be all principal and accessory uses which are allowed by right in the (LR-2) Local Retail District, in accordance with Article V. of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations of the (LR-2) Local Retail District and the Comprehensive Zoning Ordinance, as amended except as otherwise provided below.

A Special Use Permit shall be required for all uses otherwise requiring a Special Use Permit in the (LR-2) Local Retail District, in accordance with Article V. of the Comprehensive Zoning Ordinance, as amended. Such Special Use Permit(s) shall be subject to conditions established in Articles XXI. and XXXI. of the Comprehensive Zoning Ordinance, as amended, and shall be developed in accordance with all applicable regulations.

Additional Permitted Uses:

1. Tract A.
 - a) Gas station;
 - b) Car wash;
 - c) Retail store in excess of 75,000 square feet of GLA;
2. Tract B.
 - a) Parking as primary use on a separate lot and accessory to the retail store in excess of 75,000 square feet on Tract A.

B. Special Development Standards

Development shall be in accordance with the following conditions, restrictions and regulations:

1. Development shall be in general accordance with the Conceptual Site Plan, Conceptual Landscape Plan, and Conceptual Elevations, and shown as Exhibits C, D, and E, respectively.
2. The gas station and car wash shall have elevations consistent with the main retail building.
3. Parking spaces required for the land use of retail, mixed/multiple use shopping center exceeding 50,000 square feet of total building area shall not have a maximum number of spots.
4. Maximum building height shall be 50-feet for the building on Tract A.
5. Required screening can be by Fencrete or other materials in-conformance with the Fence Ordinance and Comprehensive Zoning Ordinance. Screening against residential uses can be a maximum of twelve feet (12') in height.
6. Roof-mounted mechanical units shall not have a restriction on the location, size, or height, and can be screened individually or by a parapet wall. Parapet walls constructed for the purpose of screening shall be constructed to the height of the equipment, not to exceed six feet (6'). Rooftop screening shall be required if mechanical equipment is visible from the property line at eye level.
7. The area devoted to outside display shall not exceed twenty percent of the total floor area of the building, occupied by the retail store in excess of 75,000 square feet, and as shown on the conceptual site plan.
8. Mobile mini outdoor storage containers are allowed, accessory to the retail store in excess of 75,000 square feet, and shall locate behind the building outside of fire lanes.
9. Refuse containers located at the rear of the building shall not be required to be individually screened.
10. Outdoor storage areas, temporary or permanent, shall not be required to provide screening.
11. Parking lot landscape islands for the development shall be required at a rate of one island per 12 spaces. Landscaping in the parking lot landscape islands shall be in accordance with Article XXV. of the Zoning Ordinance.
 - a. One shade tree shall be required for each 12 parking spacing or fraction thereof.
12. Trees shall not be required within two hundred (200') of the front façade for the primary building. Landscape areas within two hundred feet (200') shall be planted with shrubs at a ratio of 5:1 in lieu of trees.

13. A landscape island shall be provided at the end of each row and at a minimum interval of 12 parking spaces, when such row is longer than 12 spaces.
14. A minimum of 10% of the gross lot shall be landscaped.
15. All parking shall be located within 200 feet of a tree located within the same parking area.
16. The landscape buffer shall be planted in accordance with the attached conceptual landscape plans. A maximum of 50% of the landscape buffer may be planted in grass or turf.
17. Two three-inch caliper street trees are required for every 200 linear feet of frontage and may be planted within the property in lieu of easement conflicts.
18. Additional trees shall not be required for lot area.
19. Foundation shrubs shall not be required.

Section 4.

The Comprehensive Zoning Ordinance and the Official Map are hereby amended to reflect the action taken herein.

Section 5.

Any person violating any provision of this Ordinance, upon conviction, is guilty of an offense punishable as provided in Section 10.99 of the Carrollton City Code.

Section 6.

The provisions of this Ordinance are severable in accordance with Section 10.07 of the Carrollton City Code.

Version: 1

Status: Public Forum

In Control: City Council

File Type: Public Forum

Agenda Number: 20.

Public Forum is the opportunity for citizens/visitors to speak on items not listed on the posted meeting agenda. Citizens/visitors wishing to address the Council regarding items on the posted meeting agenda will have the opportunity to speak during the Citizen Comment.

Citizens/visitors should complete an appearance card located on the table at the entrance to the City Council Chambers. Speakers must address their comments to the presiding officer rather than to individual Council members or staff; Stand at the podium, speak clearly into the microphone and state your name and city of residence prior to beginning your remarks; Speakers will be allowed up to 3 minutes for testimony; Speakers making loud, abusive, personal, defamatory, impertinent, profane, threatening, or impertinent remarks may be removed from the room; Unauthorized remarks from the audience, stamping of feet, whistles, yells, booing, and similar demonstrations will not be permitted; No placards, banners, or signs will be permitted in the Chambers or in any other room in which the Council is meeting. Any person who does not comply with these provisions is subject to removal or forfeiting their right to attend a future meeting. In accordance with the Texas Open Meetings Act, the City Council is restricted from discussing or taking action on items not listed on the agenda. Action can only be taken at a future meeting.
