

APPLICANT'S NARRATIVE

Operation hours: tuesday-saturday 10am to 5pm

* **Extension:** Short and tangled eyelashes can be transformed beautifully.

* **Microblading:** a cosmetic procedure that involves using a needle tool to create hair-like strokes and fill them with pigment to enhance the appearance of eyebrows. It's a semi-permanent type of makeup tattoo.

* **Waxing :** Body waxing, Facial waxing, and brow Tint.

- I have 18 years experience on this field.
- We are using high quality products. Examples-extremely sensitive and good quality glue, thinning natural high quality lashes.
- Health and safely: * I use clean, sanitized tools, brushes, and tweezers

*I wash your hands before and after each client

*I wear a clean beauty tunic

*I tie back your hair so it doesn't fall forward

*I avoid humidity, or sweating
