STAFF ANALYSIS

REQUEST

This is a request for approval of a SUP to allow short-term rental.

ORDINANCE REQUIREMENTS

Article V. of Carrollton's Comprehensive Zoning Ordinance (CZO) requires a SUP for short-term-rental in the (SF-10/18) Single-Family Residential District.

ELEMENTS TO CONSIDER

1. A short-term rental requires a SUP in the Single-Family Detached, Attached, and Duplex Residential Districts, Office and Retail Districts, Downtown Transit Center (DTC) subdistrict Urban Fringe, and is allowed by right in the DTC subdistricts Historic Square and Urban General.
2. The property is bounded by single-family residential zoned properties.
3. The approximately 2,269 square-foot house was constructed in 1972.
4. Per Chapter 96, Sec. 96.06 of the Carrollton Code of Ordinances, the maximum number of occupants is 11. This is based on the finished area of the dwelling unit and the number of bedrooms and their sizes.
5. The property has vehicle access solely from an alley.
6. Each SUP application is discretionary and must be evaluated as to its probable effect on the adjacent properties and the community welfare and may be approved or denied as the findings indicate appropriate.
7. A SUP should not have negative impacts that exceed the impacts associated and anticipated with a use permitted "as-of-right" in the zoning district.
8. The concern and input of neighbors affected by a proposed use is an integral component of the zoning process.
9. A short-term rental is likely to arise where tourists, seasonal population, or large gatherings, are interested in temporary rentals of single-family residences, without the owner being on the premises.
10. No code violations were noted that would affect staff's recommendation on this request.
11. Five written opposition letters and comment cards were received.

PURPOSE OF THE SPECIAL USE PERMIT

The purpose of the Special Use Permit is to authorize and regulate uses which may be beneficial in a specific instance to the general welfare of the community yet ensure that such uses are not detrimental to surrounding property and are consistent with the stated purpose of the zoning

district in which such uses are located regarding conditions of operation, location, arrangement, and construction.

CONCLUSION

Staff believes the request for a short-term rental is reasonable for consideration.
