Chris,

Thank you presenting our Alternate Façade case in the P&Z meeting last night. Suffice to say the result was not to our liking. However we would like to appeal to council and wanted to see if we could get on the February 2<sup>nd</sup> council agenda. Given the time constraints and our timetable to open in April / May it is imperative that we get on the February schedule so that we can still get the retaining wall completed prior to opening in April / May.

Thanks

Sanjay
