CITY OF CARROLLTON

To the Honorable Mayor of Carrollton and Councilmembers;

I, as managing partner of the applicant, MacArthur/SH 190 Joint Venture, thank you for your service to our community and, as discussed at the April 2 Council meeting, formally request a waiver of the one-year period found in Article 31, Section C, Item 8 of the Carrollton Comprehensive Zoning Ordinance. This will allow me to submit a new application (with the additional drawings and materials showing full compliance with the requested zoning as recommended by City Plan and Staff.) to rezone the property you previously considered on April 2, 2013 (City Case Nos. 05-12Z1 and 05-12MD2).

Sincerely,

Lawrence G. Moser
