Subject: Charles Ridge Zones

Hi Molly,

I greatly appreciate your time today to discuss the zoning project for Charles Ridge. I was traveling and unfortunately missed the public meeting for the homeowners.

As discussed, the concerns I have regarding the zoning are as follows:

- 1) Privacy concerns
I'm concerned about the privacy of the townhome windows facing north into my property. The empty lot is elevated so even 1st floor windows would be looking down into my living areas and master bedroom which would impact privacy. I would also like a retaining wall and landscaping that is high enough to provide privacy.
- 2) Public traffic
My concern is for public traffic flow at my rear property line vs more south closer to Charles/Plano Parkway
- 3) Lighting zoning
I would like to make sure there are not street lights that would shine into my home and bedrooms late at night.

As of now, I'm not scheduled to travel on June 6th so I will try to make the meeting. In the event I'm not able to attend, please bring forward these concerns.

Thank you kindly!

Best Regards,
Susan
