Strongly oppose any form of "granny flat rentals", that is mutli family any way you word it

I would like to see all the stipulations of what the term "infill development" is and what exactly what regulations and development standards will be adjusted? is this public record?

I think all tax payers have the right to review these actions before it goes to a commission and or council for vote ... it should be included in the letter how to obtain what is being ask by the applicant which is the city of Carrollton which is owned by tax payers like me

Thanks for your time and I hope reply

Paul Spradlin 1816 willow road

Ps: Why not visit our neighbor Farmers Branch and see what they offered to get bigger homes,, it worked for them ... people who can afford those types of homes don't need or want rentals on their property ... we have enough run down mufti family rentals in this area that need attention I live across from one that has 14 adults that all drive separate cars with close to 18 people in the house it self And right by them another rent property with 8 cars daily ... so we do not need any more rentals
