Comments: Please do not allow the zoning to be changed for the North Corner of 121 and Hebron. The meeting is scheduled for 7-7. We do not need the noise it would create. Highland Park has turned down zoning for car washes and I think Carrollton would be concerned about our property values. We are already contending with a dump that is going to grow by 15 feet this year and we are now concerned about our property values.

Comments: Would like some info on the proposed zoning change for a car wash in our neighborhood (07-16SUP1) We already have the defunct Quaker Steak and other empty store fronts in that area. Would hate to see another worthless business in that location. We are just trying to keep out property values level.
