Subject: November 15 and December 6, 2016 City Council meetings-- all three tracts on the south side of Paker Road west of Dozier

Loren,

I will probably not attend today but will probably Dec 6.

My major concern is more traffic on Parker Road just south of Austin Waters where I live. Annexation will allow more houses with more people - with more traffic. The City gets more tax money, but I have to pay the price with fighting more traffic.

Please put this in the file tonight and for Dec 6 so it will not all be consent agenda and I can express my concerns if I come.

The second hearings on the three tracts from the Nov 1 Council Meeting are again item 29 (page 155 of 196 and following) item 30 (page 167-) and item 31 (page 177-) for tonight's Council Meeting on The Trails at Arbor Hills and Parker Road Tracts (see attachment for clear description but basically case numbers **11-16MD8, -9 and -11**)

Thanks,

Tom
