Chair Averett announced that Items 10 and 11 would be heard simultaneously but would be acted on separately.

Shapiro presented the two cases and stated that staff recommended approval subject to Council's approval of the annexation.

Steven Davis, Taylor Duncan Interest, 12400 Coit Road, Dallas, stated the lots being developed in Villas at Parker were very similar if not exact to the ones proposed for Parker Ranch. The Trails was more of a standard type of development with 50 ft lots with 20 ft setbacks in the front and 10 ft setbacks in the rear with a minimum home size of 2,000 sq ft. He stated they would have enhanced landscaping to dress up the entrance and would also have enhanced landscaping, although to a lesser scale, on Dozier Road. It would be a mandatory HOA; a masonry wall on the north along Parker and a masonry wall along Dozier and would encompass the entire property with a board on board wood fence.

Chair Averett opened the public hearing and there being no speakers, offered the applicant an opportunity to making closing statements. Mr. Davis declined.
