Due to a 2006 agreement between Company and City the franchise fee factor was increased to a franchise fee factor of 0.002830 (the "Current Factor"), multiplied by each kilowatt hour of electricity delivered by Company to each retail customer whose consuming facility's point of delivery is located within the City's municipal boundaries on a quarterly basis.

However, consistent with the 2006 Agreement, should the Public Utility Commission of Texas (PUC) at any time disallow Company's recovery through rates of the higher franchise payments made under the Current Factor as compared to the Base Factor, then the franchise fee factor shall immediately revert to the Base Factor of 0.002695 as of the effective date of the PUC order and all future payments, irrespective of the time period that is covered by the payment, will be made using the Base Factor.

The initial Discretionary Service Charge franchise fee amount will be paid on or before April 30, 2020, and will be based on the calendar year January 1, 2019 through December 31, 2019. The final Discretionary Service Charge franchise fee amount will be paid on or before April 30, 2039, and will be based on the months of January 1, 2038, through July 31, 2038.
  - (c) Company may file a tariff or tariff amendment(s) to provide for the recovery of the franchise fee on Discretionary Service Charges.
  - (d) City agrees: (i) to the extent the City acts as regulatory authority, to adopt and approve that portion of any tariff which provides for 100% recovery of the franchise fee on Discretionary Service Charges; (ii) in the event the City intervenes in any regulatory proceeding before a federal or state agency in which the recovery of the franchise fees on such Discretionary Service Charges is an issue, the City will take an affirmative position supporting the 100% recovery of such franchise fees by Company; and (iii) in the event of an appeal of any such regulatory proceeding in which the City has intervened, the City will take an affirmative position in any such appeals in support of the 100% recovery of such franchise fees by Company.
  - (e) City agrees that it will take no action, nor cause any other person or entity to take any action, to prohibit the recovery of such franchise fees by Company.
  - (f) In the event of a regulatory disallowance of the recovery of the franchise fees on the Discretionary Service Charges, Company will not be required to continue payment of such franchise fees.

Any overpayment to the City through error or otherwise will, at the sole option of the City, either be refunded to Company by City within thirty (30) days of such determination or offset against the next payment due from Company. Acceptance by either party of any payment due under this Section shall not be deemed to be a waiver by the other party of any claim of breach of this Franchise, nor shall the acceptance by either party of any such payments preclude the other party from later establishing that a larger amount was actually due or from collecting any balance due. Nothing in this section shall be deemed a waiver by either party of its rights under law or equity.
7. Interest on late payments shall be calculated in accordance with the interest rate for customer deposits established by the Public Utility Commission of Texas in accordance with Texas Utilities Code Section 183.003, as amended.
8. The franchise fee payable to the City pursuant to Section 7.2. hereunder, except as agreed to by Company and City in Section 7.6., shall not be offset by any payment by Company to the City relating to ad valorem taxes.

#### SECTION 8. FAVORED NATIONS.

This Section applies only if, after the effective date of this Franchise Agreement, Company enters into a new municipal franchise agreement or renews an existing municipal franchise agreement with another municipality that provides for a different method of calculation of franchise fees for use of the public rights-of-way than the calculation under 33.008(b) of PURA, which, if applied to the City, would result in a greater amount of franchise fees owed the City than under this Franchise Agreement.

(a) City shall have the option to:

- (1) Have Company select, within 30 days of the City's request, any or all portions of the franchise agreement with the other municipality or comparable provisions that, at Company's sole discretion, must be considered in conjunction with the different method of the calculation of franchise fees included in that other franchise agreement; and
- (2) Modify this franchise to include both the different method of calculation of franchise fee found in the franchise agreement with the other municipality and all of the

other provisions identified by Company pursuant to Section 8(a)(1). In no event shall City be able to modify the franchise to include the different method of calculation of franchise fee found in the franchise agreement with the other municipality without this franchise also being modified to include all of the other provisions identified by Company pursuant to Section 8(a)(1).

(b) City may not exercise the option provided in Section 8(a) if any of the provisions that would be included in this franchise are, in Company's sole opinion, inconsistent with or in any manner contrary to any then-current rule, regulation, ordinance, law, Code, or City Charter.

(c) In the event of a regulatory disallowance of the increase in franchise fees paid pursuant to City's exercise of its option under this Section, then at any time after the regulatory authority's entry of an order disallowing recovery of the additional franchise fee expense in rates, Company shall have the right to cancel the modification of the franchise made pursuant to this Section, and terms of the franchise shall immediately revert to those in place prior to City's exercise of its option under this Section.

(d) Notwithstanding any other provision of this franchise, should the City exercise the option provided in Section 8(a), and then adopt any rule, regulation, ordinance, law, Code, or Charter of City that, in Company's sole opinion, is inconsistent with or in any manner contrary to the provisions included in this franchise pursuant to Section 8(a), then Company shall have the right to cancel all of the modifications to this franchise made pursuant to this Section and, effective as of the date of the City's adoption of the inconsistent provision, the terms of the franchise shall revert to those in place prior to City's exercise of its option under this Section.

(e) The provisions of this Section apply only to the amount of the franchise fee to be paid and do not apply to other franchise fee payment provisions, such as the timing of such payments. The provisions of this Section do not apply to differences in the franchise fee factor that result from the application of the methodology set out in Section 33.008(b) of PURA or any successor methodology.

## SECTION 9. ACCOUNTING MATTERS.

- A. Company shall keep accurate books of account at its principal office for the purpose of determining the amount due to the City under this Franchise.
- B. The City may conduct an audit or other inquiry in relation to a payment made by Company pursuant to the requirements under Section 33.008(e) of the Texas Utilities Code. The City may, if it sees fit and upon reasonable notice to the Company, have the books and records of the Company examined by representatives of the City to ascertain the correctness of the reports agreed to be filed herein.
- C. The Company shall make available to the auditor during the Company's regular business hours and upon reasonable notice, such personnel and records as the City may, in its reasonable

discretion, request in order to complete such audit, and shall make no charge to the City therefore.

1. If as the result of any City audit, Company is refunded/credited for an overpayment or pays the City for an underpayment of the franchise fee, such refund/credit or payment shall be made pursuant to the terms established in Sections 7.6 and 7.7.
  2. If as a result of a subsequent audit, initiated within two years of an audit which resulted in Company making a payment to the City due to an underpayment of the franchise fee of more than 5%, Company makes another payment to the City due to an underpayment of the franchise fee of more than 5%, the City may immediately treat this underpayment as an Uncured Event of Default and exercise the remedies provided for in Section 14.C.
- D. The Company shall assist the City in its review by responding to all requests for information no later than thirty (30) days after receipt of a request.
- E. If the Company provides confidential or proprietary information to the City, the Company shall be solely responsible for identifying such information with markings calculated to bring the City's attention to the proprietary or confidential nature of the information. The City agrees to maintain the confidentiality of any non-public information obtained from Company so designated to the extent allowed by law. City shall not be liable to Company for the release of any information the City is required to release by law. City shall provide notice to Company of any request for release of information marked by Company as proprietary or confidential prior to releasing the information so as to allow Company adequate time to pursue available remedies for protection. If the City receives a request under the Texas Public Information Act that includes Company's proprietary or confidential information, City will notify the Texas Attorney General of the proprietary or confidential nature of the document(s). The City also will provide Company with a copy of this notification, and thereafter Company is responsible for establishing that an exception under the Texas Public Information Act allows the City to withhold the information.

## SECTION 10. RIGHT OF RENEGOTIATION.

- A. Should either Company or the City have cause to believe that a change in circumstances relating to the terms of this Franchise may exist, it may request that the other party provide it with a reasonable amount of information to assist in determining whether a change in circumstances has taken place.
- B. Should either party hereto determine that based on a change in circumstances, it is in the best interest to renegotiate all or some of the provisions of this Franchise, then the other party agrees to enter into good faith negotiations. Said negotiations shall involve reasonable, diligent, and timely discussions about the pertinent issues and a resolute attempt to settle those issues. The obligation to engage in such negotiations does not obligate either party to agree to an amendment of the Franchise as a result of such negotiations. A failure to agree does not show a lack of good faith. If, as a result of

renegotiation, the City and Company agree to a change in a provision of the Franchise, the change shall become effective upon passage of an ordinance by the City in accordance with the City Charter and written acceptance of the amendment by Company.

#### SECTION 11. RELOCATION OF FACILITIES.

- A. The City reserves the right to lay, and permit to be laid, any City-owned facilities, such as stormwater, sewer, gas, water, wastewater and other pipe lines, cable, and conduits, or other improvements and to do and permit to be done any underground or overhead work that may be necessary or proper, as deemed by City, in, across, along; over, or under a Public Rights-of-Way occupied by Company. The City also reserves the right to change in any manner any City-owned curb, sidewalk, highway, alley, public way, street, and City-owned utility lines, storm sewers, drainage basins, drainage ditches, and other City facilities. The City shall provide Company with at least thirty (30) days' notice when requesting Company to relocate facilities and shall specify a new location for such facilities along the Public Rights-of-Way. Company shall, except in cases of emergency conditions or work incidental in nature, obtain a permit if required by City ordinance, prior to performing work in the Public Rights-of-Way, except in no instance shall Company be required to pay fees or bonds related to Company's use of the Public Rights-of-Way, despite the City's enactment of any ordinance providing the contrary.
- B. Company shall construct its facilities in conformance with the applicable provisions of the National Electrical Safety Code.
- C. City-requested relocations of Company facilities in the Public Rights-of-Way shall be at the Company's expense; provided however, if the City is the end use Retail Customer (customer who purchases electric power or energy and ultimately consumes it) requesting the removal or relocation of Company Facilities for its own benefit, or the project requiring the relocation is solely aesthetic/beautification in nature, it will be at the total expense of the City. Provided further, if the relocation request includes, or is for, the Company to relocate above-ground facilities to an underground location, City shall be fully responsible for the additional cost of placing the facilities underground.
- D. If any other corporation or person (other than City) requests Company to relocate Company facilities located in City Rights-of-Ways, the Company shall not be bound to make such changes until such other corporation or person shall have undertaken, with good and sufficient bond, to reimburse the Company for any costs, loss, or expense which will be caused by, or arises out of such change, alteration, or relocation of Company's Facilities. City may not request the Company to pay for any relocation which has already been requested, and paid for, by any entity other than City.
- E. If City abandons any Public Rights-of-Way in which Company has facilities, such abandonment shall be conditioned on Company's right to maintain its use of the former Public Rights-of-Way and on the obligation of the party to whom the Public Rights-of-Way is abandoned to reimburse Company for all removal or relocation expenses if Company agrees to the removal or relocation of its facilities following abandonment of the Public Rights-of-Way. If the party to whom the Public Rights-of-Way is abandoned requests the Company to remove or relocate its facilities and Company agrees to such removal or relocation, such removal or relocation shall be done within a reasonable time at the expense of the party

requesting the removal or relocation. If relocation cannot practically be made to another Public Rights-of-Way, the expense of any right-of-way acquisition shall be considered a relocation expense to be reimbursed by the party requesting the relocation.

The rights shall not be assignable without the express written consent, by Ordinance, of the City Council of the City, unless otherwise superseded by state laws, rules, or regulations or Public Utility Commission of Texas action, and such consent by City shall not be unreasonably withheld or delayed, except the Company may assign its rights under this Franchise Agreement to a parent, subsidiary, affiliate or successor entity without consent, so long as such parent, subsidiary, affiliate or successor entity assumes all obligations of Company hereunder, and is bound to the same extent as Company hereunder. The Company shall give the City written notice within ninety (90) days of any such assignment to a parent, subsidiary, affiliate or successor entity.

## SECTION 13. TERM.

## SECTION 14. DEFAULT, REMEDIES AND TERMINATION.

A. Events of Default. The occurrence, at any time during the term of this Franchise, of any one or more of the following events, shall constitute an Event of Default by Company under this Franchise:

1. The failure of Company to pay the franchise fee on or before the due dates specified herein.
2. Company's material breach or material violation of any of material terms, covenants, representations or warranties contained herein.

B. Uncured Events of Default.

1. Upon the occurrence of an Event of Default which can be cured by the immediate payment

of money to City, Company shall have thirty (30) calendar days from receipt of written notice from City of an occurrence of such Event of Default to cure same before City may exercise any of its rights or remedies provided for in Section 14.C.

2. Upon the occurrence of an Event of Default by Company which cannot be cured by the immediate payment of money to City, Company shall have sixty (60) calendar days (or such additional time as may be agreed to by the City) from receipt of written notice from City of an occurrence of such Event of Default to cure same before City may exercise any of its rights or remedies provided for in Section 14.C.
3. If the Event of Default is not cured within the time period allowed for curing the Event of Default as provided for herein, such Event of Default shall, without additional notice, become an Uncured Event of Default, which shall entitle City to exercise the remedies provided for in Section 14.C.

In the event that such cure is not forthcoming, City shall be entitled to exercise any and all of the following cumulative remedies:

1. The commencement of an action against Company at law for monetary damages;
2. The commencement of an action in equity seeking injunctive relief or the specific performance of any of the provisions, that as a matter of equity, are specifically enforceable; and
3. The termination of this Franchise.

D. Remedies Not Exclusive. The rights and remedies of City and Company set forth in this Franchise shall be in addition to, and not in limitation of, any other rights and remedies provided by law or in equity. City and Company understand and intend that such remedies shall be cumulative to the maximum extent permitted by law and the exercise by City of any one or more of such remedies shall not preclude the exercise by City, at the same or different times, of any other such remedies for the same failure to cure. However, notwithstanding this Section or any other provision of this Franchise, City shall not recover both liquidated damages and actual damages for the same violation, breach, or noncompliance, either under this Section or under any other provision of this Franchise.

E. Termination. In accordance with the provisions of Section 14.C, this Franchise may be terminated upon thirty (30) business day's prior written notice to Company. City shall notify Company in writing at least fifteen (15) business days in advance of the City Council meeting

at which the questions of forfeiture or termination shall be considered, and Company shall have the right to appear before the City Council in person or by counsel and raise any objections or defenses Company may have that are relevant to the proposed forfeiture or termination. The final decision of the City Council may be appealed to any court or regulatory authority having jurisdiction. Upon timely appeal by Company of the City Council's decision terminating the Franchise, the effective date of such termination shall be either when such appeal is withdrawn or an order upholding the termination becomes final and unappealable. Until the termination becomes effective the provisions of this Franchise shall remain in effect for all purposes. The City recognizes Company's right and obligation to provide service in accordance with the Certificate of Convenience and Necessity authorized by the Public Utility Commission of Texas in accordance with the Texas Utilities Code.

- F. The failure of either party to insist in any one or more instances upon the strict performance of any one or more of the terms or provisions of this Franchise shall not be construed as a waiver or relinquishment for the future of any such term or provision, and the same shall continue in full force and effect. No waiver or relinquishment shall be deemed to have been made by either party unless said waiver or relinquishment is in writing and signed by that party.
