

### **APPLICANT'S NARRATIVE**

Requesting a Special Use Permit to operate an internet vehicle sales office within an existing financial office. Single desk within an existing office space. Internet vehicle sales office will use an estimated 220 square feet of existing 11,000 square foot office space leased by Consolidated Fleet Financing at MacArthur Drive, Suite 216. Sublease is approved by the landlord to Repopost.com within suite 216.

We do not have inventory on the premises. However, if we were in a situation where we needed to (this has never happened), we will store the inventory in the parking lot that is closest to MacArthur Drive. There are parking spots in front of our building, a grassy region and then another area where cars can be parked. That is where we would store the inventory.
