Consider **Approval Of The Purchase Of Two (2) Replacement Playgrounds By Webuildfun, Inc. Through An Inter-Local Agreement With BuyBoard** In An Amount Not To Exceed \$105,000.00.

BACKGROUND:

This project is part of the Park Amenities Fund, which was approved by City Council for the FY2014-15 budget. Playgrounds and other park amenities were evaluated using set criteria to determine current conditions and to aid staff in prioritization of projects. Each amenity was given a grade and a preliminary list of projects was presented to Council for completion in 2015 using the initial funds provided. The Del Santer Park and Rosemeade Recreation Center Preschool playgrounds were given a grade of F and D+, respectively. New playgrounds were designed for both locations by Webuildfun, Inc. to better serve the needs of the playground users.

FINANCIAL IMPLICATIONS:

The playgrounds will be funded using Park Amenity Funds out of the following account.
