DATE: May 11, 2016

TO: Leonard Martin, City Manager

FROM: Laurie Garber, City Secretary/Admin. Services Manager

Consider An Ordinance Approving A Negotiated Settlement Between The Atmos Cities Steering Committee ("Acsc") And Atmos Energy Corp., Midtex Division Regarding The Company's 2016 Rate Review Mechanism Filings; Declaring Existing Rates To Be Unreasonable; Adopting Tariffs That Reflect Rate Adjustments Consistent With The Negotiated Settlement; Finding The Rates To Be Set By The Settlement Tariffs To Be Just And Reasonable And In The Public Interest; Requiring The Company To Reimburse Acsc's Reasonable Ratemaking Expenses; Determining That This Ordinance Was Passed In Accordance With The Requirements Of The Texas Open Meetings Act; Adopting A Savings Clause; Declaring An Effective Date; And Requiring Delivery Of This Ordinance To The Company And The Acsc's Legal Counsel.

BACKGROUND:

The City, along with other similarly situated cities served by Atmos Energy Corp., Mid-Tex Division ("Atmos Mid-Tex" or "Company"), is a member of the Atmos Cities Steering Committee ("ACSC"). The RRM Tariff was originally adopted by ACSC member cities in 2007 as an alternative to the Gas Reliability Infrastructure Program ("GRIP"), the statutory provision that allows Atmos to bypass the City's rate regulatory

authority to increase its rates annually to recover capital investments. The RRM Tariff has been modified several times, most recently in 2013.

The 2016 RRM filing is the fourth RRM filing under the renewed RRM Tariff. On March 1, 2016, Atmos made a filing requesting \$35.4 million additional revenues on a system-wide basis. Because the City of Dallas has a separate rate review process, exclusion of Dallas results in the Company requesting \$28.6 million from other municipalities.

Environs customers (ratepayers outside municipal limits) remain under the Railroad Commission's exclusive original jurisdiction and have their rates set through the GRIP process. If the Company had used the GRIP process rather than the RRM process it would have received a \$41 million increase, or about \$11 million more than will be approved by the Ordinance. ACSC and the Company have reached an agreement, reflected in the Ordinance, to reduce the Company's request by \$5.5 million, such that the Ordinance approving new rates reflects an increase of \$29.9 million on a system-wide basis, or \$21.9 million for Mid-Tex Cities, exclusive of the City of Dallas.

The tariffs attached to the Ordinance approve rates that will increase the Company's revenues by \$29.9 million for the Mid-Tex Rate Division, effective for bills rendered on or after June 1, 2016. The monthly residential customer charge will be \$19.10. The consumption charge will be \$0.11378 per Ccf. The monthly bill impact for the typical residential customer consuming 46.8 Ccf will be an increase of \$1.26, or about 2.43%. The typical commercial customer will see an increase of \$3.81, or 1.43%. Attached to this Model Staff Report is a summary of the impact of new rates on the average bills of all customer classes.

The ACSC Executive Committee and its designated legal counsel and consultants recommend that all Cities adopt the Ordinance with its attachments approving the negotiated rate settlement resolving the 2016 RRM filing, and implementing the rate change.

Explanation of "Be It Ordained" Sections:

1. This section approves all findings in the Ordinance.
2. This section finds the settled amount of \$29.9 million to be a comprehensive settlement of gas utility rate issues arising from Atmos Mid-Tex's 2016 RRM filing, and that such settlement is in the public interest and is consistent with the City's statutory authority.
3. This section finds the existing Atmos Mid-Tex rates to be unreasonable, and approves the new tariffed rates providing for additional revenues over currently-billed rates of \$29.9 million and adopts the attached new rate tariffs (Attachment A).
4. This section establishes the baseline for pensions and other post-employment benefits for future rate cases (Attachment C).
5. This section requires the Company to reimburse Cities for reasonable ratemaking costs associated with reviewing and processing the RRM filing.
6. This section repeals any resolution or ordinance that is inconsistent with this Ordinance.
7. This section finds that the meeting was conducted in compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

8. This section is a savings clause, which provides that if any section(s) is later found to be unconstitutional or invalid, that finding shall not affect, impair or invalidate the remaining provisions of this Ordinance. This section further directs that the remaining provisions of the Ordinance are to be interpreted as if the offending section or clause never existed.

9. This section provides for an effective date upon passage which, according to the Cities' ordinance that adopted the RRM process, is June 1, 2016.

10. This paragraph directs that a copy of the signed Ordinance be sent to a representative of the Company and legal counsel for the Steering Committee.
