Consider A **Resolution Authorizing The City Manager To Enter Into Single-Family Rehabilitation Grant Incentive Agreements On Two Eligible Properties Located Within Neighborhood Empowerment Zones, In A Total Grant Amount Not To Exceed \$2,452.60.**

**BACKGROUND:**

In April of 2018 City Council adopted the revised Single-Family Rehabilitation Grant Incentive policy. This program provides monetary grants of up to 25% of certain exterior repair expenses for eligible properties located in a Neighborhood Empowerment Zone. This program has been marketed throughout the qualifying zones with special outreach focused on NOTICE neighborhoods.

Mr. and Mrs. Wilson have applied for a rehabilitation incentive grant for replacement and installation of a driveway. Mr. Weyandt applied for an incentive grant to replace his windows and repair exterior brick. Each of the properties are located in a Neighborhood Empowerment Zone and meet the eligibility requirements of the incentive grant program.

On May 7, 2019 the City Council Re-Development Sub-Committee reviewed and unanimously recommended approval of both incentive requests.

**FINANCIAL IMPLICATIONS:**

The rehabilitation incentives are funded through the Neighborhood Partnership Fund. Since April of 2018,

when the program incentive was increased to 25%, a total of 30 projects have been approved by City Council, representing \$364,051 in private investment and \$91,012 in incentives.

**IMPACT ON COMMUNITY SUSTAINABILITY:**

The rehabilitation incentives offer significant tools to prevent blight in Carrollton's older neighborhoods. Revitalizing affordable housing is a key component of the rehabilitation grant program and City Council's community sustainability objectives.

**STAFF RECOMMENDATION/ACTION DESIRED:**

Staff recommends City Council approval of a resolution authorizing the City Manager to enter into Single-Family Rehabilitation Incentive Agreements with Mr. and Mrs. Wilson and Mr. Weyandt in a total grant amount not to exceed \$2,452.60.
