File #: 1899, Version: 1

CC MEETING: March 17, 2015**DATE:** March 12, 2015**TO:** Leonard Martin, City Manager**FROM:** Vince Priolo, Purchasing Manager

Consider **Approval Of RFP #15-020 For Boring & Trenching For Multiple Departments From Roadway Solutions** In An Amount To Not Exceed \$84,500.00.

BACKGROUND:

A sealed Request For Proposal was issued for work needed to prepare multiple sites for traffic lights, plus miscellaneous foundations and pull boxes on these sites plus other city locations. The sites scheduled for work at this time are at Old Denton and Indian Run, Josey and Cheyenne, and various arterial roadways. Additional work will be scheduled throughout the year based on need and budgetary restrictions. The work in this bid includes turnkey work for boring and trenching plus providing conduit and pull boxes for traffic signal, streetlight and pedestrian pole construction. Also included in this request for proposal are precautionary budget numbers only for Parks Maintenance and Tree Restoration needs. This bid has two one-year renewals based if mutually agreeable by both parties.

Bids were advertised and received in which two responded. Bids were posted using Demand Star, the city's website, email communication, and the Carrollton Star.

FINANCIAL IMPLICATIONS:

The services on bid # 15-020 Boring & Trenching will be purchased from budgeted funds for the cost centers and amounts as listed below:

<u>COST CENTER</u>	<u>ACCOUNT</u>	<u>BUDGET AMOUNT</u>
Traffic Operations - 404001 & Various Capital Projects	Street Lights - 60950	\$ 66,500.00
Athletics - 354001	R/m Svcs - Structures - 63010	\$ 8,000.00
Tree Reforestation Fund -35780	Landscape 60210	<u>\$10,000.00</u>
	Total	\$84,500.00

STAFF RECOMMENDATION/ACTION DESIRED:

Staff recommends that the overall low bid be awarded to Roadway Solutions in an amount not to exceed \$84,500.00.

The Public Works Traffic Department will perform all drilling of signal piers unless we are required to drill through rock or will need to drill a shaft that is deeper than 13 feet. Staff believes that a bid award to Roadway

Solutions is in the best interest of the city and will present the lowest overall cost.
