Present A **Proclamation Declaring May 16-20, 2016 As *National Public Works Week***.

**BACKGROUND:**

This agenda item is to declare the week of May 16-20, 2016 as “National Public Works Week” (NPWW). Instituted as a public education campaign by the American Public Works Association in 1960, NPWW calls attention to the importance of public works in community life. The Week seeks to enhance the prestige of the often-unsung heroes of our society - the professionals who serve the public good every day with quiet dedication. This year’s theme is “Public Works Always There”.
